SESSIONAL PAPER No. 8

INSURANCE DEPARTMENT,
OTTAWA, July 4, 1911.To the Honourable W. S. FIELDING,
Minister of Finance.

SIR,—I have the honour herewith to submit the statements in detail of Insurance Companies, other than Life Insurance Companies, which are contained in a separate volume, for the year 1910, together with such an abstract and analysis of them as appears proper to exhibit the progress of the business and the conditions of the companies.

FIRE INSURANCE, 1910.

During the year 1910 the business of fire insurance in Canada was carried on by 60 companies; of these 25 were Canadian, 19 British and 16 American. This list of companies differs from that of the previous year by the addition of two Canadian companies (the Factories and the Hudson Bay); one British Company (the Royal Exchange); one American company (the Continental Fire), and one Lloyds association (Underwriters at American Lloyds, to whom a license was, on November 3, 1910, issued under the provisions of section 12 of the Insurance Act, 1910).

Near the close of the year licenses were issued to two British Companies (Provincial Insurance Co., Limited, and The Employers' Liability Assurance Corporation Limited). This latter company received a license for fire business in addition to guarantee, accident and sickness for which it was already licensed. Since the close of the year, a company whose headquarters is in Paris, France, has received a license for fire business, viz.: L'Union, Compagnie d'assurance contre l'incendie.

FIRE PREMIUMS AND LOSSES IN CANADA IN 1910.

Cash received for premiums during the year in Canada amounted to \$18,725,531, being greater than that received in 1909 by \$1,676,067, and the amount paid for losses was \$10,292,393, which is greater than that paid in 1909 by \$1,645,567. The ratio of losses paid to premiums received is shown in the following table:—

The loss rate for 1910 (54.96) is 8.67 below the average for the forty-two years over which our records extend.

Obtaining an approximation to the losses incurred during the year, by excluding the payments for losses outstanding at the beginning of the year, and including the amounts estimated for those of the year still unsettled, the ratio of the losses incurred to premiums received comes out 58.40 per cent, which is 7.94 per cent greater than the 50.46 of the previous year, and is 2.41 per cent less than the average for the last fifteen years (60.81). The following are the rates of incurred losses from 1896:—

PREMIUMS AND LOSSES COMPARED WITH RISKS.

The average rate of premiums charged on each \$1,000 of risks taken in 1910 is \$13.582, as against \$14.110 which was the corresponding rate in 1909. The individual rates for the different companies will be found in the annexed table, and will be seen to vary a good deal, as might naturally be expected, considering the varieties of the business done by the companies.

The losses incurred (approximate) during the year, compared with the amount of risk current (taking for this the mean of the amounts in force at the beginning and end of the year), have been at the average rate of \$5.61 per \$1,000 current risk. The corresponding rates for 1882-3-4-5-6-7-8-9-90-1-2-3-4-5-6-7-8-9-1900-1-2-3-4-5-6-7-8-9, are \$5.68, \$5.56, \$5.37, \$4.54, \$5.48, \$5.70, \$4.70, \$4.19, \$4.84, \$5.33, \$5.61, \$6.17, \$5.50, \$5.75, \$5.15, \$5.38, \$6.20, \$4.99, \$8.38, \$6.68, \$4.06, \$5.22, \$12.05, \$4.88, \$4.97, \$5.69, \$6.41 and \$4.83, respectively.

The losses are, however, as usual, distributed very unevenly among the different companies, as appears from the following, computed on the above basis; where for convenience of comparison, the corresponding rates for 1909 are appended within parentheses:—

London Mutual, \$2.47 (\$3.23); Scottish Union and National, \$3.42 (\$3.46); Alliance, \$3.45 (\$2.09); Central Canada Manufacturers, \$3.76 (\$8.12); London Assurance, \$3.90 (\$2.33); Insurance Company of North America, \$3.92 (\$5.70); Hudson Bay, \$3.94 (.....); Quebec Fire, \$4.02 (\$7.08); Western, \$4.11 (\$2.90); British America, \$4.15 (\$3.70); Montreal-Canada, \$4.32 (\$5.00); Canadian Fire, \$4.43 (\$4.54); Anglo-American, \$4.56 (\$4.37); Sun Insurance Office, \$4.67 (\$5.29); Royal, \$4.70 (\$4.47); Sovereign Fire, \$4.77 (\$6.52); Caledonian, \$4.82 (\$3.43); Pacific Coast Fire, \$4.91 (\$4.29); Liverpool and London and Globe, \$5.08 (\$5.05); Ætna Fire, \$5.09 (\$3.76); Law Union and Rock, \$5.13 (\$4.02); London and Lancashire Fire, \$5.24 (\$4.73); Equity Fire, \$5.28 (\$3.07); North British, \$5.33 (\$4.92); Northern, \$5.37 (\$5.17); Norwich Union Fire,

It must be noted that the premiums in the second column are those charged on the whole gross amount of risks taken by each company during the year.

BRITISH FIRE COMPANIES.

The total cash receipts from premiums were \$10,243,235, being an increase of \$522,238, as compared with the previous year; the payments for losses were \$5,488,726, being \$639,139 greater than for 1909; while the general expenses amounted to \$3,095,224, being \$119,423 greater than in 1909, thus showing balance of \$1,659,285 favourable to the companies. In the previous year there was a favourable balance of \$1,899,516.

The following detail gives the balance for the different companies:—

Lancashire Fire, \$83,142; London Assurance, \$72,845; North British & Mercantile, \$105,506; Northern \$117,930; Norwich Union, \$95,409; Phoenix of London, \$169,611; Royal, \$164,517; Scottish Union and National, \$80,522; Sun Fire, \$60,643; Yorkshire, \$44,765. Total, \$1,664,763.

Adverse balances:—Royal Exchange, \$5,478.

Total balance in favour, \$1,659,285.

For every \$100 of premiums received there was spent on the average \$53.58 in payment of losses, and \$30.22 for general expenses.

In 1909 the loss rate was \$49.93, and the general expenses \$30.47, for every \$100 of premiums received.

For the fire business the rate of premium was \$13.265 per \$1,000 of risks taken, as against \$13.837 in 1909.

Hence these companies have done a larger volume of business than in 1909 at a lower rate of premium, a slightly lower rate of expense, and at a higher rate of fire losses.

Collecting the result for the thirty-six years from 1875 to 1910, as regards the receipts for premiums and the expenditure of the British companies, we find:—

Paid for losses (1875-1910).....	\$ 115,670,754

It will be seen, from an examination of the table given below, that an adverse balance was in existence from the year 1877 till the end of the year 1886, due to the exceptional circumstances of the conflagration at St. John in the first mentioned year—when the losses paid by British companies amounted to almost five millions of dollars; that such adverse balance was reversed at the end of the year 1887, when a favourable balance of \$341,938 was shown, and that this favourable balance increased thereafter from year to year (with the exception of the year 1893) up to the close of 1899, when it amounted to \$5,029,980. In 1900 the loss by the British companies on account of the Ottawa and Hull conflagration amounted to over two and a half million of dollars. To this is due the large deficit of that year, \$1,365,476, wiping out the savings of the preceding four years, and reducing the favourable balance at the end of 1900 to \$3,664,504, which sum had been still further reduced to \$3,512,636 at the end of 1901. The favourable experience for the years 1902 and 1903, increased this balance to \$7,123,044 at the end of 1903, but it was again reduced by the unfavourable

experience of 1904 to \$3,969,472. During the past six years the favourable balance has been largely increased and now amounts to \$15,185,891.

As the reports of the general business of the British companies which are appended to their several statements, are made up in a form not readily understood, except by an expert, I have this year, as in previous years, made an approximate analysis of them which will be found on page c. Only two or three of these companies profess to make any special provision for the liability under the head of 'Unearned Premiums,' but they set aside a certain sum under the title of 'Fire Fund,' which is held to meet future contingencies, and is charged against the company as a liability. I have taken 60 per cent of the annual revenue from premiums as a fair approximation to the exact *pro rata* of the premiums on unexpired risks, which forms the basis of the item in our returns for Canadian business. Also, in cases where life assurance is combined with fire (the assets of these branches being required by the Imperial statute to be kept separately) I have omitted the life-business entirely, considering that the life funds are more than sufficient to cover the liabilities in this branch, and thus making the results, as regards paid-up capital, less favourable to the companies.

CANADIAN FIRE COMPANIES.

In considering the Canadian companies, their whole fire insurance business, in Canada and elsewhere, as well as their marine business and business in other branches must be taken into account, inasmuch as a separation of expenses between these branches has not been made.

The following table gives the distribution of fire business between Canada and elsewhere, for the fifteen companies transacting business outside of Canada, and shows that the home business was, on the whole, less favourable to the companies than the foreign business.

in force; they have also subscribed capital not called or not paid up, amounting to \$3,979,617, making a total security of \$15.56 for every \$1,000 insured. The liabilities of the same companies amounted to \$6,267,936, made up as follows:—

Unsettled losses.....	\$ 748,189
Unearned premiums.....	4,965,810
Sundry.....	553,937
	<hr/>
	\$6,267,936

The unearned premiums are here taken to be 80 per cent of the *pro rata* proportions of the gross premiums for the time unexpired in the cases of fire and inland marine insurance, and 80 per cent of the whole premiums in the case of a current ocean risk. The surplus of assets over liabilities available for the protection of policy-holders, independent of the subscribed capital not called up, amounts to \$6,489,518.92.

The capital stock of these companies paid up or in course of payment, amounts to \$7,167,467.

The following table gives the condition at the end of 1910 of all the Canadian stock companies in reference to the surplus on account of policy-holders.

In previous reports an item has been given showing the total gain or loss in surplus during the year in respect to each company. This year I have endeavoured to show in the subjoined table the various sources of this gain or loss.

In the first column there is tabulated the "Underwriting Profit." This is the excess of premiums earned over losses incurred and expenses incurred. The premiums *earned* are arrived at by adding to the net cash received for premiums, the net outstanding premium at the end of the year and deducting the net outstandings at the beginning of the year. From the net premiums *written* thus obtained, there is deducted the increase in the *unearned* premiums. Where the losses and expenses incurred are in excess of the earned premiums there will be an underwriting loss, which is tabulated in the sixth column.

In the second column is tabulated the interest and rents earned. This is formed in a similar manner to that of the premiums *written*, by adding to the cash received for interest and rents, the outstandings at the end of the year, and deducting the outstandings at the beginning of the year.

In the third column the gains from other sources are tabulated. This will include the premiums on capital stock, amounts written off capital stock, reductions in the amount of paid up capital, gain in market values of investments, &c.

At the end of the year 1910 the basis of reserve liability was changed in accordance with section 134 of the Insurance Act, 1910, from the full unearned premium computed *pro rata* as at the date of such statement, to eighty per cent thereof. The surplus at the end of 1910 was thus benefited to the extent of 20 per cent of the Unearned premium. And this gain through change in reserve basis has been tabulated in the fourth column.

The fifth column gives the totals of the first four columns. In the sixth column is given the underwriting loss, and in the seventh the losses through other sources, such as bad or doubtful investments and other assets, &c. In the eighth column are tabulated the dividends declared during the year. The ninth column gives the totals of the sixth, seventh and eighth. The last column, being the difference between the fifth and the ninth, gives the total net gain or loss in surplus the minus sign denoting the loss. Only four companies show a loss in surplus. The total gain in surplus of the twenty-five Canadian companies is \$1,451,333.20, of which \$1,233,057.68 was due to the change of basis of reserve. The net underwriting gain was \$72,643.73. The rents and interest upon investments, \$401,161.09, more than offset the dividends paid, \$392,435.72.

Including the whole business of the mixed companies, outside as well as within the Dominion, it appears that the Canadian companies have received during the year 1910 a total cash income of \$8,985,568.90, which is made up as follows:—

	1910.	The same in 1909.	The same in 1908.	The same in 1907.
	\$ cts.	\$ cts.	\$ cts.	\$ cts.
Interest and dividends.....	369,724 69	323,309 70	301,209 15	269,918 89
Premiums.....	8,538,778 04	7,751,727 44	7,506,568 66	8,592,041 45
Sundry.....	77,066 17	60,092 07	77,726 33	59,425 71
Total.....	8,985,568 90	8,135,129 21	7,885,504 14	8,921,386 05

In the same way the cash expenditure during 1910 has been \$8,569,179.18, distributed into:—

	1910.	The same in 1909.	The same in 1908.	The same in 1907.
	\$ cts.	\$ cts.	\$ cts.	\$ cts.
Losses paid.....	4,974,826 76	4,412,541 61	5,471,015 65	5,786,024 20
General expenses.....	3,231,393 38	2,941,149 99	2,785,940 01	3,152,540 95
Dividends to stockholders.....	362,959 04	339,000 65	119,337 41	94,649 99
Total.....	8,569,179 18	7,692,692 25	8,376,293 07	9,033,215 14

Thus it appears that for every \$100 of income there has been spent \$95.36, namely: for losses, \$55.36; for general expenses, \$35.96; and for dividends to stockholders, \$4.04. Hence, also, for every \$100 of premiums received there has been paid out \$58.26 for losses, \$37.84 for expenses, and \$4.25 for dividends to stockholders.

The total cash income received by the Canadian companies during the thirty-six years from 1875 to 1910 inclusive, is \$179,663,289.14. The respective amounts for the several years, and the distribution thereof under proper headings, are shown in the subjoined table:—

The Eastern Canada Manufacturers Mutual Fire Insurance Company, by a reinsurance agreement dated December 2, 1910, reinsured all its outstanding policies with the Central Canada Manufacturers Mutual Fire Insurance Company and has given the necessary notice for the release of its deposit.

The Ottawa Assurance Company has reinsured its business with the Factories Insurance Company and is giving the necessary notice of its application for the release of its deposit.

The German American Insurance Company and the Rochester German Insurance Company have been amalgamated to form a new company of the same name as the former, and the deposits formerly held by the two companies have been merged and placed to the credit of the new company.

Companies other than Fire and Life.

The Dominion Plate Glass Insurance Company reinsured its business with Lloyds Plate Glass Insurance Company of New York and has given the necessary notice for the release of its deposit.

ACCIDENT INSURANCE, 1910.

Accident insurance may be subdivided into two classes, viz.:—*Employers' Liability Insurance and Personal Accident*, both of which are covered by an accident license.

The business of accident insurance was transacted by seventeen companies, viz.: Nine Canadian, three American and five British.

EMPLOYERS' LIABILITY.

Of the seventeen accident companies, fifteen transacted employers' liability insurance, viz.:—Seven Canadian, five British and three American.

The total premiums received for this class of risks was \$1,644,252, and the losses paid amounted to \$714,977, with unsettled claims outstanding to the amount of \$432,086.

An abstract will be found at page cxxx.

PERSONAL ACCIDENT.

All the accident companies transacted personal accident business, the total premiums for which were \$1,815,571, insuring an amount of \$296,236,458. The claims paid amounted to the sum of \$603,331, and there were outstanding at the close of the year unsettled claims amounting to \$118,868.

An abstract will be found at page cxxx.

GUARANTEE INSURANCE, 1910.

Guarantee business was transacted by eleven companies, of which four are Canadian, three British and four American.

The total premiums received were \$298,940, guaranteeing an amount of \$90,780,163, and the net amount paid for claims was \$46,709, with unsettled claims amounting to \$40,140 outstanding at the end of the year.

An abstract will be found at page cxxix.

The Guarantee Company of North America transacted business outside of the Dominion, which is not included in the above.

SESSIONAL PAPER No. 8

CONTRACT INSURANCE.

Contract insurance was transacted by two companies, both American. This class of insurance is included in the definition of guarantee insurance in the Insurance Act, 1910.

The premiums received in 1910 amounted to \$72,939, and the losses paid to \$7,347, with unsettled claims amounting to \$1,500.

An abstract will be found at page cxxxiv.

SICKNESS INSURANCE, 1910.

The business of sickness insurance was carried on by seventeen companies, viz.:—Two American, five British and ten Canadian.

It appears, however, that sickness insurance not in combination or in conjunction with accident risks has been carried on only to a very limited extent, and returns of the premiums received in respect thereof and losses paid, &c., have not been made to this Department.

In addition to the seventeen companies above referred to, five fraternal societies, licensed by this Department, viz.: the Supreme Court of the Independent Order of Foresters, the Subsidiary High Court of the Ancient Order of Foresters, the Canadian Order of the Woodmen of the World, the Catholic Mutual Benefit Association and the Royal Guardians, pay sick benefits to such of their members as stipulate therefor in the application for membership. In the case of the Ancient Order of Foresters, these benefits are paid partly through the lodges and partly by the Subsidiary High Court. The premiums received in Canada for sickness and funeral risks by these fraternal societies amounted to \$375,312 and the claims paid amounted to \$280,264.

PLATE GLASS INSURANCE IN CANADA, 1910.

The business of plate glass insurance was transacted by eleven companies, viz.: Five Canadian, two British and four American. Since the close of the year the business of the Dominion Plate Glass Insurance Company has been reinsured with the Lloyds Plate Glass Insurance Company of New York, a company which has been transacting plate glass insurance in Canada for many years.

The companies having adopted the system of insurance by replacement, instead of paying the value of the glass broken, and their contracts not stating any amounts as insured thereby, their returns do not show the amount of insurance effected during the year, nor the amount in force at the end thereof. The premiums received during the year in Canada for plate glass insurance were \$151,399, being greater than the amount received the previous year by \$18,498, and the total losses incurred were \$61,504, being \$8,421 greater than the amount incurred in 1909. An abstract will be found at page cxxxiv.

BURGLARY INSURANCE, 1910.

This branch of insurance, which is transacted to a considerable extent in Great Britain, was introduced into Canada eighteen years ago. It is carried on by five companies, three Canadian and two American. The total premiums received amounted to \$55,934, and the losses paid to \$14,235, with unsettled claims outstanding at the end of the year amounting to \$3,780. An abstract will be found at page cxxxi.

STEAM BOILER INSURANCE, 1910.

This class of business was carried on by five companies, three Canadian and two American. The total premiums received amounted to \$111,532, and the claims paid to \$3,508, with no unsettled claims outstanding at the end of the year. An abstract will be found at page cxxxi.

AUTOMOBILE INSURANCE, 1910.

Automobile insurance was carried on by seven companies, three Canadian and four American. The premiums received amounted to \$80,446, and the losses paid to \$28,372, with \$7,430 of losses outstanding. An abstract will be found at page cxxxv.

WEATHER INSURANCE, 1910.

Tornado insurance, to a very limited extent, was carried on by three American companies, the total premiums received being \$588, with no losses incurred. Hail insurance was carried on by a Canadian company, the Hudson Bay Insurance Co., the premiums received being \$226,881, and losses paid \$73,362. General weather insurance, including hail, was carried on by the Canada Weather Insurance Company, the premiums received amounting to \$4,369 and the losses paid to \$482.

TITLE INSURANCE, 1910.

The Title and Trust Company is licensed by this Department to transact the business of 'Title insurance' as defined in the company's Act of incorporation, that is to say, 'guarantee the title to, or the quiet enjoyment of, property, either absolutely or subject to qualifications and conditions, and to guarantee any person interested in or about to become interested in, or owning, or about to purchase or acquire any real property, against any losses, actions, proceedings, claims or demands by reason of any insufficiency or imperfections or deficiency of title or in respect of encumbrances, burdens or outstanding rights; and to guarantee the due payment of the whole or part of any loan, advance, mortgage or claim, hypothecary or otherwise, or the interest thereon.'

The total premiums received during the year amounted to \$2,898, and no claims were incurred.

LIVE STOCK INSURANCE, 1910.

A license was on the 18th day of May, 1908, issued to the Yorkshire Insurance Company for the transaction of the business of live stock insurance in addition to the business of fire insurance. On November 5, 1908, a license was issued to the General Animals Insurance Company of Canada for live stock insurance business. The premiums received during the year amounted to \$86,645. The losses incurred were \$51,025, and losses paid, \$48,535, with unsettled claims at the end of the year amounting to \$6,430. An abstract will be found at page cxxxv.

Inland transportation insurance was carried on by eight companies, one Canadian, three British and four American. The premiums received amounted to \$114,371 and the losses paid to \$55,724, with \$262 outstanding at the end of the year. An abstract will be found at page cxxxii.

RULES AND REGULATIONS REGARDING THE ACCEPTANCE OF
SECURITIES OFFERED FOR DEPOSIT BY INSURANCE
COMPANIES, &c., &c.

The following extracts from Orders in Council, Minutes of the Treasury Board, &c. (all of which have been previously published) are here collected for convenience of reference:—

Particulars of Securities offered for Deposit.—All applications for the acceptance of bonds or debentures, whether as original deposits or in exchange for securities which the applicants desire to have released, must be accompanied by a statement giving full particulars of the securities offered for acceptance under the following headings, viz.:—

‘Date, date of maturity, place of payment of principal, rate of interest, how payable, *i.e.* yearly or half yearly, date and place of payment of interest, market value at time of application for acceptance, and, if not quoted in the market, the price at which purchased by the company and date of such purchase.

‘Also as regards municipalities whose bonds or debentures are offered:

‘The population, assessed value, rate of taxation, assets, total debenture indebtedness, and all other liabilities, income and expenditure for the last fiscal year, and any other details in the possession of the company which would be of assistance in determining the value of the securities offered for acceptance.

‘The Board desire to be in possession of all possible information in relation to such securities in order that they may be in a position to give the matter proper consideration.’ (T.B., Nov. 9, 1888.)

Railway Debentures.—‘The Board are of opinion that they cannot accept as a deposit the bonds of any railway company, unless guaranteed directly or indirectly by the Canadian government, (T.B., Oct. 27, 1890,) or by any province of Canada, by the United Kingdom or any British Colony; or by the government of any foreign country if the company depositing the same is incorporated in such foreign country. (Insurance Act, 1910, sec. 15.)

Loan Companies’ Bonds.—The Board had under consideration a memorandum from the Superintendent of Insurance with reference to the application of the Land Mortgage Companies’ Association of the province of Ontario to have the debentures of loan companies accepted by the government as deposits on behalf of insurance companies in which he reports that the said association is composed of incorporated loan companies or societies authorized to lend money on real estate in the province of Ontario, and all such companies or societies are eligible for membership upon payment of certain fees; that the loan companies which compose the said association may be divided into the following classes:—

I. ‘Companies incorporated under the provisions of the statutes of the province of Canada, 9 Victoria, chap. 90, consolidated in chapter 53 of the Consolidated Statutes of Upper Canada, included in chapter 169 of the Revised Statutes of Ontario (1887), and commonly known as the “Building Societies’ Act.”

II. ‘Companies incorporated under the “Canada Joint Stock Companies’ Act, 1877,” now known as the “Companies’ Act,” being chapter 79 of the Revised Statutes of Canada (1906).

SESSIONAL PAPER No. 8

III. 'Companies incorporated under special Acts of the Legislature of the province of Canada or of the Parliament of the Dominion of Canada.'

IV. 'Companies incorporated under the "Ontario Joint Stock Companies' Letters Patent Act, 1874," being chapter 150 of the former and chapter 157 of the last Revised Statutes of Ontario.'

V. 'Companies incorporated under the English Companies' Act, and licensed to transact business in Canada under 37 Victoria, chapter 49, being chapter 125 of the Revised Statutes of Canada.'

The Board, after careful consideration of the report of the Superintendent of Insurance as to the class of securities upon which the above companies can invest their funds, and as to the borrowing powers of the said companies, direct that the debentures and debenture stock of such companies, belonging to the said association, as meet the requirements hereinafter set forth, may be accepted as deposits on behalf of the insurance companies, at such rate as the Treasury Board may see fit to place upon them, not, however, to exceed the value usually placed upon municipal securities, viz., 90 per cent of the par value thereof when the market value is at least equal to such par value, or 90 per cent of the market value when the market value is less than the par value.

(The rate of acceptance has since been changed to 95 per cent of the market value at the time of deposit, such accepted value in no case to exceed par. (See below T.B., June 14, 1900.)

The requirements above referred to are as follows:—

1. The company shall have kept strictly within the powers in relation to borrowing and investment conferred upon it by the Act under which it is incorporated.

2. It shall have a paid-up capital of at least \$500,000.

3. It shall have been in successful operation as a loan company for not less than ten years.

4. It shall have a reserve fund amounting to not less than 25 per cent of its paid-up capital.

5. Its stock shall have a market value of not less than par.

The Board also direct that every application on behalf of an insurance company for the acceptance of any such debentures or debenture stock as herein above provided shall form the subject of a special reference to the Treasury Board, and that the company shall supply, for the information of the Board, all necessary particulars, including a statement of the borrowing powers and powers of investment of the loan company whose securities are offered as a deposit, and a statement showing in detail the nature of the investments of such loan company, all properly verified. (T.B., October 16, 1896.)

No assurance of acceptance of bonds by the Treasury Board.—The Superintendent asks the decision of the Board upon the following questions, viz.:—

'Will the Board inform a company desirous of purchasing certain bonds or securities whether they will be accepted or not as a deposit in the event of their being purchased?'

* * * * *

'The Board, after deliberation, are of the opinion that they cannot give any assurance to any company that securities will or will not be accepted in the event of their being purchased.' (T.B., April 1, 1889.)

1 GEORGE V., A. 1911

Deposit Receipts.—‘The Board direct that deposit receipts be not accepted in any case as a deposit on behalf of any company.’ (T.B., January 25, 1888.)

Bank Stocks, &c.—‘Bank stock or shares in any private company will not be accepted.’ (O.C., January 17, 1876.)

Registered Bonds as Deposits.—‘When registered bonds are received as deposits they must be registered in the name of the Receiver General. Bonds registered in the name of a company accompanied by an assignment in favour of the Receiver General, will not be accepted. When registered bonds are intended to be used as a deposit, they should, before being forwarded to this Department, be registered thus—in the name of ‘the Receiver General of Canada in trust for (giving the name of the company) being part of the deposit made by the company with said Receiver General, in pursuance of the statutes of Canada in that behalf.’ (T.B., July 13, 1891.)

Foreign Municipal Securities.—‘The Board are of opinion that no municipal securities other than Canadian should be accepted for deposit under the Insurance Act.’ (T.B., January 30, 1894.)

Exchange of Securities deposited with the Receiver General.—The Board establishes the following rule, viz., that bonds or securities of any kind deposited with the Receiver General can be released and withdrawn only upon the deposit with the Receiver General of an adequate amount of other securities satisfactory to the Board. (T.B., October 28, 1899.)

Municipal and other Securities as Deposits.—The Board on the report of the Superintendent of Insurance, direct as follows:—

(1) That Canadian municipal securities, Montreal Harbour bonds, Canadian Pacific Land Grant bonds, United States state securities and loan companies’ debentures (where such securities are in all respects acceptable to the Treasury Board) be hereafter accepted at 95 per cent of their market value at the time of deposit, such accepted value in no case however to exceed par.

(2) That all securities of the classes mentioned in the preceding clause (1), which have been heretofore deposited and are still in the hands of the Dominion government at Ottawa, or in the hands of the Bank of Montreal, London, England, on behalf of the government, be revalued upon the basis set out in said clause (1).

(3) That for the purpose of such revaluation the various insurance companies by which such securities have been deposited be required to furnish from time to time when called for by the Superintendent schedules thereof giving the full particulars of such securities, including their par and market values, such par and market values to be certified to by a competent valuator or appraiser. (T.B., June 14, 1900.)

Respecting quality of paper and type used in bonds to be hereafter deposited with the Receiver General.—The Board had under consideration reports from the Comptroller of Dominion Currency and the Superintendent of Insurance in reference to the quality of the paper upon which bonds for deposit with the Receiver General are engraved, lithographed or printed, and also in reference to the quality of type used for such purpose.

From the reports above referred to, it appears that there are now on deposit with the Receiver General in the custody of the Comptroller of Dominion Currency, bonds and debentures to the amount of more than \$38,000,000, which are held under and for the purposes of the Insurance Act; that of these securities about 65 per cent are municipal, the greater portion of which have half-yearly

SESSIONAL PAPER No. 8

or yearly coupons attached; that in some cases the principal is payable in yearly or half-yearly instalments, such instalments being sometimes represented by coupons attached to the bond, and sometimes by separate bonds; that these bonds and debentures have, when deposited, periods to run varying from two or three years to fifty years, and all such must be handled at least once and generally twice each year, and that notwithstanding the greatest care, the removal from the box containing them, unfolding, cutting and refolding and replacing them must of necessity to a certain extent wear and injure them, and hence the necessity of having all bonds, when deposited, in such sound condition that they may be reasonably expected, notwithstanding the unavoidable wear and tear, to hold together until the date of maturity; that many of the debentures now held are on the commonest kind of paper; that the coupons attached, from constant handling, are frequently torn, and that many of those on the debentures recently taken have been in such bad condition that they had to be patched before they were put into the vault.

In view of the above representations, and on the recommendation of the Superintendent of Insurance, the Board direct that, of the securities hereafter offered for the above named purposes only such be accepted as are either engraved, lithographed or printed in clearly legible type on tough, durable paper: Provided, however, that for good and sufficient cause shown bonds not meeting the foregoing requirements may be temporarily accepted.

The Board further direct that a copy of this Minute be sent to every licensed insurance company, and also that the Minute be published by the Superintendent of Insurance in his annual report. (T.B., June 5, 1908.)

LEGAL DECISIONS.

1. FIRE INSURANCE

(a) Fire Insurance Policy—Property subject to Agreement for Sale—Insurable Interest—Value of Property Insured—Subrogation.

(1) The owner of property covered by insurance policy and subject to an agreement for sale has an insurable and beneficial interest in the property: *Castellain v. Preston*, followed.

(2) Where the insurance policy is claimed to be for a larger amount than the value of the property insured, the judgment, in the absence of fraud, will be in favour of the plaintiff for the value, with a reference to the clerk to ascertain such value.

(3) The insured, having a beneficial interest in the property covered by the policy, is entitled to the insurance money, and the insurance company will not be subrogated to the insured's right to claim from the purchaser the balance of the purchase price, if the contract for sale specially provides that the insured (the vendor) is not to be liable to the purchaser in the event of loss of property by fire.

(Jan. 20, 1909—Mr. Justice Scott—*Hoffman v. The Calgary Fire Insurance Co.*—11 Alberta Law Reports, p. 1.)

1 GEORGE V., A. 1911

(b) *Application—Misrepresentation in—Policy Void on Account of—Knowledge of False Representation by Agent of Company—Effect of.*

Plaintiff insured a building with defendant company, and made certain statements in the application as to fires used on the premises which were found to be false. The premises were destroyed by fire, and the company disputed liability. In answer to the defence of misrepresentation, the defendant pleaded that the company's agent, who had filled out the application, was aware of the condition of the premises:—

Held, that the policy was void on account of the mis-statements contained in the application.

(2) That even if the plaintiff's agent had been aware of the condition of the premises, as it appeared that he filled out the application and had filled in the answers to the questions upon which the misrepresentations were based, he would be acting as agent of the plaintiff and in fraud of the company, and the company would not be bound by the policy or affected by his knowledge.

(Feb. 18, 1909—Mr. Justice Newlands—Parsons v. Alberta—Canadian Insurance Co.—Saskatchewan Law Reports, Vol. 2, p. 76.)

(c) *Garnishee Proceedings—Setting Aside—Judicature Ordinance—Rules 385, 386 “Debt” Fire Insurance Money—When “Debt” Attachable—“Person Claiming to be Interested in Moneys Attached.”*

(1) The liability of a fire insurance company to indemnify the assured against loss by fire is not a debt attachable by garnishee within the meaning of Rule 385, at least until after the fact of liability and the amount of same are ascertained or agreed.

(2) The non-appearance of a fire insurance company to a garnishee summons is not such an admission of liability as will convert the claim into a debt: *Randall v. Lithgow*, distinguished.

(3) The liquidator of a company defendant is a person “claiming to be interested in the moneys attached” within the meaning of Rule 386 of the Judicature Ordinance, and as such may apply to set aside a garnishee summons.

(April 27, 1909—Mr. Justice Harvey—Hartt v. Edmonton Steam Laundry Co., Ltd., The Colonial Assurance Co., Garnishee—11 Alberta Law Reports, p. 130.)

(d) *Insurable interest—Statutory condition—Interpretation of contract—Agreement for sale—Change material to the risk—Fire occurring before the change notified to the company—Denial of all liability by the insurance company—Authority of Adjuster—Estoppel to deny authority—Proof of loss.*

The statutory condition contained in policies of fire insurance requiring the company's consent to an assignment of the property insured refers to the absolute divesting by the insured of all title and interest in the property.

The court should lean toward an insurable interest in the insured if at all possible : *Inglis v. Stock*.

An insurable interest does not necessarily require any right of property to support it.

In the case of an agreement for the sale of property insured the question as to whether or not an insurable interest was retained by the vendor is a question of

SESSIONAL PAPER No. 8

intention to be gathered from the agreement itself and the Court may assist the interpretation of the agreement by evidence of the negotiations which led up to it provided the agreement were not entirely inconsistent with the trend of the negotiations.

An agreement for sale which retains in the vendor an insurable interest is not a change material to the risk: *Keefer v. The Phoenix Insurance Co. of Hartford*.

A fire occurring immediately after a change material to the risk obviates the necessity of notice being given to the insurance company of the change, and particularly such notice will be excused if an effort made to give the notice was unsuccessful owing to the proper person to receive the notice not being at his office within business hours.

A notice of such change given within five days after the change was held to be sufficiently given.

An insurance company by denying liability for any loss which occurs is estopped from insisting upon strict proof of the loss.

A request for an adjuster to be sent to scene of fire, and the appearance of a well known adjuster after the request, who represents himself as being the company's adjuster, estops the company denying the authority of such adjuster.

(Jan. 18, 1910—Court en Banc —*Trotter and Douglas v. Calgary Fire Insurance Co.*—III Alberta Law Reports—p. 13.)

(e) *Condition in policy as to subsequent insurance—Consent of insurer—Breach of condition — Application for insurance — Representation of matter of fact — Warranty.*

Held:—1. A condition in a policy of fire insurance that the insurer will not be liable for loss if further and subsequent insurance on the same property is effected without his consent, express or implied from his not expressing dissent after notice, is binding, and a breach of it is a bar to a claim by the insured under the policy.

2. A representation in an application for insurance against fire, or a clause in the policy, that there exists concurrent insurance on the property insured, does not involve a warranty that such insurance is absolute and will be effective in case of loss. Hence, a party insured in two companies, under policies that lapse in case of subsequent insurance effected without their consent, who, in his application to a third one, declares that he has concurrent insurance, makes no false representation although his failure to obtain the consent of the two first companies to insurance with the third, should relieve them from liability in case of loss.

May 5, 1910—Sir Melbourne M. Tait,——*Stevenson es-qual. v. The North British & Mercantile Insurance Co. et al*—38 Superior Court Reports, (Quebec, p. 351.)

(f) *Policy—Condition requiring notice of loss to be given in writing forthwith—Pleading—King's Bench Act, Rule 315 A.*

Held, per Metcalfe J. at the trial.

1. A provision of a fire insurance policy requiring the insured to give notice in writing of any loss to the company forthwith as a condition precedent to the liability of the company must be strictly complied with; and, if the insured fails to give such notice, he cannot recover on the policy, even in a case where the company was advised of the loss on the same day by a telegram from its agent, and he at once employed a professional adjuster to investigate the loss and report to the company.

Bell Bros. v. Hudson's Bay Insurance Co., (1909) 2 Sask, 355, followed.

2. The receipt by the company of a statutory declaration by the insured, giving particulars of the loss, 17 days after the fire, was not a compliance with the condition required notice in writing "forthwith".

The Queen v. Justices of Berkshire, (1878) 4 Q.B.D. per Cockburn, C. J., at p. 471 and Atlas v. Brownell, (1899) 29 S.C.R. 545, followed.

The defendants had in their pleading alleged the condition relied on to be that the plaintiff * * * * "should forthwith give notice of the alleged damage and loss to the defendants at their office."

On appeal

Held, per Howell, C. J. A., and Perdue, J. A., that the defendant had not distinctly set up the conditions of the policy intended to be relied on, which differed materially from that set up by the pleading, and had therefore failed to comply with Rule 315 A added to King's Bench Act by 7 and 8 Edw, VII, c. 12, s. 10, and that the appeal should be allowed, but without costs, as the point had not been taken at the trial or in the grounds of the appeal.

Held, per Richards and Cameron, J. J. A., that the condition of the policy had been set up with sufficient distinctness and that, at all events, it was too late to object to the plea on the ground urged for the first time on the argument of the appeal, and that the appeal should be dismissed.

The court being evenly divided, the appeal was dismissed without costs.

(g) *Action upon Policy of—Statutory Conditions—Notice of Loss—No Notice Given by Insured—Effect of Notice by Company's Agent—Effect of Non-Compliance with Conditions—Waiver by Company—Estoppel—Right of.*

Plaintiffs insured certain property with defendant company against loss by fire. The policy contained the usual statutory conditions, among them a provision that the insured should forthwith, after a loss, notify the company in writing. It was also provided that none of the conditions of the policy could be deemed to be waived by the company, unless the waiver should be in express terms in writing signed by the secretary. The property insured was destroyed by fire. The plaintiffs gave no notice of loss, but the company's agent gave notice. On receipt of the notice from the agent the company furnished forms for proof of loss, and also participated with other companies in making an adjustment. The company refused to settle, and the plaintiffs brought action:—

Held, that the condition requiring notice was equivalent to a stipulation that before anyone could make any demand against the company or bring any action to recover thereunder, he must forthwith give notice of loss, and such notice was a condition precedent to right to recover.

2. That the notice given by the company's agent was not a compliance with the condition which required notice by the assured or in his absence by his agent, and only such notice could satisfy the terms of the policy.

3. That the waiver could not be relied upon by the plaintiffs, inasmuch as the policy itself provided that the conditions could not be waived except in writing signed by the secretary.

4. That Sec. 2 of the Fire Insurance Policy Ordinance did not assist the plaintiff, as this related only to the proof of loss, and the notice was not a part of the proof.

Note:—The above judgment was revised by the Supreme Court of Canada April 4, 1911, but its judgment has not yet been published in the official reports.

SESSIONAL PAPER No. 8

(h) Canada—Ontario—Insurance (Fire)—Statutory Condition—Gasoline “Stored or Kept” in Insured Building.

A statutory condition applicable to fire insurance in Ontario provided that the insurance company should not be liable for loss or damage occurring while gasoline was “stored or kept” in the insured building.

The appellant insured a building used by him as a drug store and furniture shop. He had an assistant, a qualified chemist, who used the upper part of the building as a dwelling house. This assistant had a gasoline stove which he had used occasionally for domestic purposes and later on he brought it down to the shop and used it in making syrups, and while doing so the building took fire and was burnt down. The only gasoline in the building was the small quantity which was in the stove.

Held, that the expression in the statutory condition as to gasoline being “stored or kept” imported the notion of warehousing or depositing for safe custody or keeping gasoline in stock for trade purposes, and did not apply to the small quantity which was in the stove for consumption and, consequently, that there had been no breach of the condition, and that the appellant was entitled to recover from the insurance company.

(i) Premises “occupied as a sporting house”—Contract against public policy—Whether Court should entertain such contract—Higher rate charged—Increased risk—Variation—Change in situation of insured premises—Addition of party plaintiff.

Defendant company issued a fire insurance policy to H., loss, if any, to be payable to W. The latter assigned his interest to plaintiffs. The policy covered a building situated, detached, 100 feet from any other building, “while occupied as a sporting house.” The rate charged for insurance on dwelling houses in that locality was one per cent, while on the class of houses such as that in question the rate charged was two and a half per cent. After the issue of the policy a building was erected within 30 feet of the premises insured. It was provided in the policy that any change material to the risk should be communicated, in writing, to the local agent. The insured mentioned to the local agent the fact of the new building being put up, and was informed by him that it made no difference as he had charged a rate sufficient to cover the increased risk. There was also a provision that no agent could waive any condition in the policy, except by a document in writing signed by him. On a claim arising under the policy, the company set up illegality on account of the premises being used for immoral or unlawful purposes, and also that the policy became void by reason of the construction of the new building and the omission to communicate the fact, in writing, to the local agent. At the trial an amendment was allowed making H., the assured, a party plaintiff.

Held, (Irving, J. A., dissenting), that the policy was not void merely because it was issued in respect of premises used as those in question had been; that the insurance of property against loss is one of the things useful and necessary for the ordinary purposes of life, and the owner of such property is just as much entitled to protection from loss by means of a fire policy as by other means.

Per Martin and Gallihier, JJ.A., that the plaintiffs were not entitled to sue on the contract of insurance, there being no evidence of privity of contract between them and W., their assignor, and that H. had not been properly added as a party.

1 GEORGE V., A. 1911

(j) *Policy—Statutory Conditions—Gasoline on Premises—Illuminating Oils insured—Notice of Loss—Remedial Clause in Act—Discretion of Court.*

By the Manitoba Fire Insurance Act (R.S.M. (1902) c. 87), an insurance company insuring against loss by fire is not liable "for loss or damage occurring while . . . gasoline . . . is stored or kept in the building insured or containing the property insured unless permission is given in writing by the company." Insurance was effected "on stock consisting chiefly of illuminating and lubricating oils, &c., and all other goods kept by them for sale." A small quantity of gasoline was in the building containing the stock when it was destroyed by fire.

Held, that gasoline being an illuminating oil, it was part of the stock insured and the above statutory condition could not be invoked to defeat the policy.

Held, per Anglin, J., that if gasoline was not insured as an illuminating oil it was within the description of "all other goods kept for sale."

By s. 2 of the said Insurance Act "where, by reason of necessity, accident or mistake the conditions of any contract of fire insurance on property in this province as to the proof to be given to the insurance company after the occurrence of a fire have not been strictly complied with . . . or where from any other reason the Court or Judge before whom a question relating to such insurance is tried or inquired into considers it inequitable that the insurance should be deemed void or forfeited by reason of imperfect compliance with such conditions," the company shall not be discharged from liability.

By statutory condition 13 (a) in the schedule to the Fire Insurance Policy Act every person entitled to make a claim "is forthwith after loss to give notice in writing to the company."

Held, Fitzpatrick, C. J., dissenting, that the above clause applies to said condition.

Judgment appealed against (19 Man. R. 720) sub. nom. *Prairie City Oil Co. v. Standard Mutual Fire Ins. Co.*, reversed, Fitzpatrick, C.J., dissenting.

Appeal allowed with costs.

(Nov. 21, 1910—Supreme Court of Canada—*Lewis v. Standard Mutual Fire Insurance Co.*—31 Canadian Law Times, p. 253. 44 Reports Supreme Court of Canada, p. 40.)

(k) *Policy issued on application of a firm—Death of a member of the firm occurring between the application and the issue of the policy—Premises insured adjudged to surviving partner alone under licitation proceedings—Undertaking to pay loss to executors of deceased partner.*

Held:—1. A policy of fire insurance by a mutual insurance company, issued on an application by a firm consisting of two members, after the death of one of them, the survivor continuing to carry on the business under the name of the firm, is good and valid.

2. A subsequent undertaking by the company to pay the loss, if any, to the executors of the deceased partner, is binding, notwithstanding licitation proceedings under which the insured premises were adjudged to, and became the property of, the surviving partner. The adjudication of property under licitation proceedings is not an alienation that annuls the insurance of it under art. 5307 R.S.Q., 1888.

SESSIONAL PAPER No. 8

(l) *Meaning of words "stored or kept" in relation to gasoline on premises—Excessive claims for loss as a defence to action on policy—Provision in policy for settlement of amount of loss by arbitration.*

1. The proper construction to be given to the words "stored or kept", in a condition of a fire insurance policy providing against liability of the company for loss or damage occurring while gasoline, &c., is stored or kept on the premises, is that they do not apply to a small quantity kept on hand for domestic purposes but import the idea of warehousing or depositing for safe custody or keeping in stock for trading purposes.

Thompson v. Equity Fire Ins. Co., (1910) A.C. 592, reversing 41 S.C.R. 491, followed.

2. A clause in a policy of fire insurance providing for the settlement of the amount of the loss or damage suffered by the insured by arbitration whether the right to recover is disputed or not and independently of all other questions, unless made by the policy a condition precedent to the right to bring an action, will not prevent the insured from suing without taking any steps towards such arbitration.

Scott v. Avery, (1856) 5 H.L. Cas. 811, and *Caledonian Ins. Co. v. Gilmour*, (1893) A.C. 85, followed.

The goods, insured for \$1,000, were valued at \$1,400 in the application. After the fire the plaintiff, in his proofs of loss, swore that his loss was \$2,359.50, but the trial Judge estimated the loss at only \$400.

Held, that this inflation of values was not fraudulent to the extent of vitiating the policy, or the plaintiff's claim under it.

2.—ACCIDENT INSURANCE.

(m) *Employer and workman—Compensation—Accident arising out of the employment—Cashier—Murder—Risks incidental to the employment—Workmen's Compensation Act (Imperial) 1906 (6 Edw. 7, c. 58) s. 1, sub-s. 1.*

Appeal against an award by the judge of the Newcastle County Court.

The applicant was the widow of one Nisbet, a cashier in the employ of the respondents, who was shot in the train while carrying a large sum of money to the respondents' colliery for the payment of the weekly wages. The County Court judge held that the risk undertaken by Nisbet in carrying a large sum of money weekly was a risk incidental to his employment and likely to have been in the contemplation of the parties when Nisbet was engaged, and he accordingly made an award in favour of the applicant for £300. The respondents appealed.

The Court (Cozens-Hardy, M.R., Farwell, L. J., and Kennedy L. J.) dismissed the appeal. Their lordships were all of opinion that the murder was an "accident" from the standpoint of the person who suffered from it and that it arose "out of the employment," which exposed the deceased to special risks, and consequently that his widow was entitled to compensation. Their lordships also expressed the opinion that the point was incidentally decided by *Challis v. London and South-Western Railway* (1905) 2 K. B. 154.

- (n) *Proviso against Liability if the Insured came to his Death while under the influence of Intoxicating Liquor—Onus of Proof—Condition that Notice of Death must be given within Ten Days thereafter—Tender before Action, whether an Admission of Liability—Waiver—Impossibility of Performance.*

When last seen alive, in November, 1908, the insured was under the influence of intoxicating liquor, and the probabilities were that he met his death by drowning on the same day, as nothing was seen or heard of him until his body was found in the river nearby in the following spring, greatly decomposed but without any marks of violence.

The policy sued on contained a provision upon which the defendants relied, namely, that if the insured met his death while under the influence of intoxicating liquor the claimant should only be entitled to one-tenth of the amount of the policy and the defendants made a tender of the one-tenth before action.

Held, that the burden of the proof was upon the defendants, and that, as there was no evidence to show exactly when the death took place, this defence failed.

Couadeau v. American Accident Co., (1984) 25 S.W. Rep. 6, followed.

The policy also contained a condition that notice of the death should be given by or on behalf of the insured within ten days thereafter.

Held, that a notice within ten days after discovery of the body was sufficient. (Cameron, J. A., dissenting.)

Baily v. DeCrespigny, (1869) L.R. 4 Q.B., at p. 185; and *Trippe v. Provident Fund Society*, (1893) 140 N.Y. App. 23, followed.

Cassel v. Lancashire &c. Ins. Co., (1885) 1 T.L.R. 495, distinguished.

Held, also per *Perdue* and *Cameron*, J.J.A., that the tender of the one-tenth made and pleaded by the defendants was a waiver of the defence of want of notice.

- (o) *Damages—Workmen's Compensation for Injuries Act, sec. 7—Death of Workman—Action by Widow—Assessment of Damages by Jury—Deduction of Insurance Moneys—Correction of Verdict—Judgment.*

In an action under the Workmen's Compensation for Injuries Act, by the widow and administratrix of a man who was killed while in the employment of the defendants, to recover damages as compensation for his death, the evidence showed that the damages, based upon an estimate of the wages for three years of a person in the same grade as the deceased, would amount to at least \$2,200. Counsel for the plaintiff, however, in addressing the jury, told them that they should deduct from the amount they found on that basis a sum of \$1,000 which the plaintiff had received for insurance on the life of the deceased. The jury announced a verdict of \$1,200, not saying that they had found \$2,200 and deducted \$1,000; but the trial judge asked them if that was what they meant, and they said it was:—

Held, having regard to sec. 7 of the Workmen's Compensation for Injuries Act, R.S.O. 1897, ch. 160, that the \$1,000 ought not to have been deducted; and that, upon the findings of the jury, judgment should be entered for \$2,200.

2. For the purposes of this section every insurance company or mutual benefit or charitable association holding a license under the Insurance Act of Canada, shall be deemed to be a corporation which may be registered with the Provincial Treasurer.

3. Where a company authorized under sections 111 to 126 of the Insurance Act 1910, of Canada, is registered under this section, every policy and certificate issued and used in this Province, shall conform and be subject to the provisions of the said sections, and, upon any contravention of the said sections, the corporation shall be liable to have its registration under this section suspended or cancelled.

4. Suspension or cancellation of the authorization of a company or association under the Insurance Act of Canada shall, ipso facto and without notice, effect, as the case may be, the suspension or cancellation of registration under this section.

Provided, that when such insurance company or association has, under the Insurance Act of Canada, been permitted to revive its authorization, the Provincial Treasurer may permit the company to be registered anew, and may issue his certificate thereof.

5. Corporations, companies or insurers within the meaning of paragraphs (1) and (3) of section 3 or of paragraph 5 of section 20 of the said Insurance Act, 1910, may, upon due application, be admitted to registration as if licensed under the the said Act.

a. A copy of its charter, or of its letters patent certified by the officer having the custody of the original;

But whenever the company or association has, by such power of attorney under its seal, appointed a general agent for Canada, and has thereby authorized such general agent to appoint chief officers or agents of the company or association in the various Provinces of Canada, then, after filing with the Provincial Treasurer a copy of said document, duly certified by a notary public or by the proper officer of the Dominion of Canada to be a true copy thereof, powers of attorney executed by the said general agent for Canada, in the presence of a witness who has by oath or affirmation duly verified the execution thereof, shall be deemed sufficiently executed by the company or association for all the purposes of this section.

6944.—Whenever a company or association licensed or registered under this section, changes its chief agent, attorney, head office or chief agency in this Province, it shall file a power of attorney as hereinbefore mentioned, specifying the change and containing a similar declaration as to service of process as hereinbefore mentioned.

The presentation of such document shall not be necessary, on the Provincial Treasurer receiving from the proper officer of the Dominion of Canada notice that such license or document of authority has in fact been issued to the company or association named in the notice, and authorizes the transaction of insurance of the kind and for the term specified in the notice.

2. The suspension or cancellation or non-renewal of such document of authority issued under the Insurance Act of Canada, or issued by any province of Canada to an insurance company or association registered in this Province, shall operate ipso facto as a suspension or cancellation of registration in this Province: but registration so suspended may be revived as provided in this section.

* * * * *

6947.—Upon proof that a company or association has, by accident or unavoidable cause, been prevented from fully complying with the provisions of this section within the time herein prescribed, and upon payment to the Provincial Treasurer of the fee herein enacted, the Provincial Treasurer may grant for a time limited therein, an interim certificate of registration, or may extend for a limited time the duration of a subsisting certificate of registration, but in default, in either case, of the renewal of registration, before the expiry of the time so limited the company or association shall be deemed to be unregistered.

6948.—Every insurance company or mutual benefit or charitable association, subject to the obligation of registering under this section, and doing business in the Province before the tenth day of February, 1909, shall obtain a certificate of registration from the Provincial Treasurer within twelve months from such date, for continuing to do business therein.

6949.—No insurance company or association, shall be registered under a name identical with that under which any other existing company or association is registered; or so nearly resembling such name as to be likely to be confounded therewith, nor under any other name likely, in the opinion of the Provincial Treasurer, to deceive the members or the public as to its identity.

6950.—The Provincial Treasurer shall cause to be published yearly in the Quebec Official Gazette, a list of companies or associations licensed or registered under this section, with the amount of the deposit, if any, made by each company or association; and, upon a new company or association being licensed or registered, or upon the license or certificate of a company or association being suspended or cancelled, or if the certificate is revived, he shall publish a notice thereof in the Quebec Official Gazette for the space of two weeks.

6951.—Subject to condition 23 of the policy set forth in article 7034, service of any written notice to any insurance company for any purpose of this section, where there is no other express provision relative thereto, may be by letter delivered at the chief office of the company in the Province, or by registered letter addressed to the company, its manager, or agent at such chief office, or by such written notice given in any other manner to an authorized agent of the company.

¶ 13—SUSPENSION OR CANCELLATION OF REGISTRATION.

6952.—1. The happening of any of the following events shall ipso facto and without previous notice, cancel the registration of the company or association concerned:

(a) The repeal, or the expiry, of its charter, instrument of association, or constitution, or of its act or acts of incorporation;

(b) The revocation of its corporate powers;

(c) The cancellation, or the expiry without renewal, of the license or other authorization by which the company or association was authorized to exercise its corporate powers for the transaction of insurance;

(d) The passing of a resolution by the company or association for its winding up; or—

(e) The making of an order by any court for the winding up of the company or association.

And, upon proof that any of the said events has happened, the Provincial Treasurer, after notice to the company or association in cases where any dispute is likely to arise, shall cause the proper entry to be made in the register.

2. The happening of any of the following events shall ipso facto, and without notice, suspend the registration of the company or association:

(a) The suspension of any of the acts, instruments or charters, mentioned in sub-paragraphs *a* or *c* of paragraph 1, of this article; or—

(b) The suspension of the corporate powers of the company or association.

Upon proof that any of the said events has happened, the Provincial Treasurer after notice to the company or association in cases where any dispute is likely to arise, shall cause the proper entry to be made upon the register.

3. Where the happening of any of the events mentioned in paragraphs 1 and 2 of this article is disputed by written notice delivered to the Provincial Treasurer at his office, he shall decide both as to the facts and as to the law, and render his decision in writing, and such decision shall be final.

6953.—1. If the Provincial Treasurer decides in any disputed case that a company or association is or is not legally entitled to registration, or to renewal of registration, or if he suspends, revives or cancels the registration of a company or association, he shall, except as otherwise herein provided, render his decision in writing, and shall cause a certified copy of his decision to be delivered by registered mail or otherwise to the company or association at its head office in the Province.

2. Any person may obtain a certified copy of any such decision of the Treasurer, on application to his office, and upon payment of the fee prescribed.

3. The affidavits and depositions received or taken by the Provincial Treasurer in any disputed case shall be filed in his office.

SESSIONAL PAPER No. 8

4. The evidence and proceedings in any matter before the Provincial Treasurer may be reported by a stenographer who has taken an oath before a commissioner of the Superior Court to faithfully report the same.

5. The costs of every contestation are payable by the company or association if it loses. Nevertheless, if a third party should contest the right of the company or association to be registered, the Provincial Treasurer may exact from him, before holding the inquiry, such deposit as he may deem necessary to cover the costs occasioned by such inquiry, and such deposit shall be used to pay the costs if the third party loses.

6954.—1. Upon proof that any registry or certificate of registry has been obtained by fraud or mistake, or that a company or association exists for any illegal purpose, or is insolvent or is about to become insolvent, or has, within the meaning of articles 6955 and 6956, refused or neglected to pay a claim lawfully due, or has wilfully, and after notice from the Provincial Treasurer or inspector, contravened any of the provisions of this section, or has ceased to exist, the registration of such company or association may be suspended or cancelled by the Provincial Treasurer.

2. On the suspension or cancellation of the registration of any company or association except as herein otherwise enacted, the Provincial Treasurer shall, by registered mail or otherwise, cause notice thereof in writing, signed by him, to be delivered to the head office or chief agency of the company or association in the Province; and, from the date of such delivery, such company or association shall be deemed to be unregistered, but in the case of mere suspension of registration, the company or association shall be deemed to be unregistered only whilst such suspension lasts; and, from and after such delivery, the company or association shall withdraw every offer to enter into contracts, and shall absolutely cease to enter into contracts, but without prejudice to any liability incurred by such company or association, which may be enforced against the same as if such suspension or cancellation had not taken place.

6955.—Every lawful claim against an insurance company or association under any insurance contract, shall be payable on the expiration of sixty days after reasonable and sufficient proof has been furnished to the company or association of the happening of the event under which such claim was by said contract to accrue, and, where property was insured, after like proof of such additional matters as the law requires; and any provisions, conditions or stipulations to the contrary shall, as against the assured, be void; but the company or association may in its discretion pay the claim at any time before the expiration of the sixty days.

6956.—1. Any insurance company or association shall be liable to have its registration suspended by the Provincial Treasurer, upon the failure by it to pay an undisputed claim, or an insurance contract, within sixty days after becoming payable, or, if disputed, after final judgment and tender of a legal valid discharge, and, in either case, after notice, supported by affidavit, of the company's default delivered to the Provincial Treasurer.

2. When the registration of a company or association has been suspended under paragraph 1 of this article, but, within sixty days after the notice therein provided, it has fully paid all undisputed claims and final judgments upon or against it, the Provincial Treasurer, upon proof of the facts, may revive the registration of the company or association and issue his certificate of such revivor.

3. If, within the sixty days mentioned in paragraph 2 of this article, the company or association has not fully paid all undisputed claims and final judgments, the Provincial Treasurer, upon proof of the fact, shall cancel its registration.

4. If the law under or by virtue of which the company or association was incorporated prescribes payment of undisputed claims and final judgments within less than sixty days, this article shall not be deemed to extend the time so prescribed for payment, nor to extend the right of the company or association to revivor of registration hereunder beyond the time limited by the said enactment.

6957.—The Provincial Treasurer, or any person authorized by him in writing, and the inspector, shall have, at any time during business hours of every day except Sundays and holidays, access to all such books, securities and documents of a company or association as relate to its contracts, and any officer or person in charge, possession, custody or control of such books, securities or papers, refusing or neglecting to afford such access, shall be guilty of an offence, punishable as for an offence against article 6961, and, if registered, the company or association shall be liable to have its registration suspended, and, on continued refusal or neglect to afford such access, shall be liable to have its registration cancelled.

6958.—1. If it is established to the satisfaction of the Provincial Treasurer that the accounts of a registered company or association have been materially and wilfully falsified, or that for eighteen consecutive months there has been no bona fide audit of the books and accounts; or if there is filed in the office of the Provincial Treasurer a requisition for audit bearing the signatures, addresses and occupations of at least twenty-five persons being members of the company or association, claimants or persons entitled to claim or having insurable interest under contracts of the company or association, and if such requisition alleges in a sufficiently particular manner, to the satisfaction of the Provincial Treasurer, admittedly fraudulent or illegal acts, or repudiation of contracts, or insolvency, the said Treasurer may appoint a competent accountant, who shall, under his direction, make a special audit of the books and accounts and report thereupon to him in writing, verified upon oath.

2. For the purposes of this section a special auditor shall be sufficiently accredited, if he delivers to the secretary or to any officer of such company or association, a written declaration from the Provincial Treasurer to the effect that the latter has appointed such auditor to audit the books and accounts.

3. The expense of such special audit shall be borne by such company or association, and the auditor's account therefor, when approved in writing by the Provincial Treasurer, shall be payable by the company or association forthwith.

4. Where an audit is requested as mentioned in paragraph 1 of this article, the persons so requesting it shall, together with their requisition, deposit with the Provincial Treasurer proper security for the costs of the audit, in such sum, not exceeding two hundred dollars, as he shall determine; and where the facts alleged in the requisition appear to the Provincial Treasurer to have been partly or wholly disproved by the audit, he may pay the costs thereof partly or wholly out of the deposit.

5. All books, securities, vouchers and documents relating to the contracts or funds of the company or association shall be subject to the audit prescribed by this article.

6. Where any company or association, through a trustee, officer, employee, agent or auditor having in his custody, possession or power, its funds, books or vouchers, refuses to have the same duly audited as provided by article 6957 and by this article, or obstructs an auditor in the performance of his duties, the Provincial Treasurer upon proof of the fact may suspend or cancel its registration.

7. Every trustee, director, officer, manager, agent, collector, auditor or employee of a company or association, who knowingly makes or publishes, or assists in making or publishing any wilfully false statement of its financial affairs, or who makes or assists in making any untrue entry in any book of record, entry

or account, or who refuses or neglects to make any proper entry therein, or to exhibit the books, vouchers, securities and documents, or to allow the same to be inspected or audited either for the general purposes of the company or association or for the purposes of this section, and extracts to be taken therefrom, shall be guilty of an offence, and, upon summary conviction thereof before any police magistrate or justice of the peace having jurisdiction where the offence was committed, shall be imprisoned in the common gaol of the district or in the gaol of the Province, with or without hard labour, for a period not exceeding twelve months.

6959.—If the report made by the special auditor appears to the Provincial Treasurer to disclose fraudulent or illegal acts on the part of the company or association as mentioned in paragraph 1 of article 6958, or a repudiation of its contracts, or insolvency, the Provincial Treasurer shall notify the company or association accordingly, and furnish it with a copy of the special auditor's report, allowing two weeks for a statement to be filed with him in reply.

6960.—1. Upon consideration of the special auditor's report and of the statement of such company or association in reply, and of such evidence, documentary or oral, as he may require, the Provincial Treasurer shall render his decision in writing and may thereby continue, suspend or cancel the registration of the company or association.

3. Every application, contract, or other instrument of insurance, and every circular, advertisement or publication soliciting insurance, issued or used in the Province for the purposes of assessment insurance, shall contain the words "Assessment System" printed or stamped in large type at the head thereof.

Any contravention of this provision shall constitute an offence and shall be punishable as for an offence against paragraph 1 of this article.

4. All informations or complaints for the prosecution of offences under this section, shall be made in writing within the year following the commission of the offence.

5 All prosecutions under any of the provisions of this section, shall be taken, tried and judged according to the provisions of part XV of the Criminal Code.

6962.—Every offence committed by a company or association against this section shall be deemed to have been also committed by every officer of the same bound by virtue of his office or otherwise to fulfil any duty whereof such offence is a breach, or, if there be no such officer, then by every member of the board of

directors of such company or association and each act or omission constituting an offence under this section shall constitute, if continued, a new offence for every week during which the offence continues.

* * * * *

6963.—2. Nevertheless commercial or manufacturing risks on property owned or occupied by persons, firms or companies may be insured or reinsured with non-registered foreign mutual companies or by non-registered insurers, underwriters or associations of insurers, provided such persons, firms or corporations comply with the provisions of paragraph e of division III of article 1347 and any manager, director, officer, collector, agent, employer or person whatever effecting such insurance or re-insurance in contravention of these provisions, shall incur the penalty enacted in article 6961.

* * * * *

6968.—1. It shall be the duty of the officers of every registered insurance company or association to have, at least once in every year, a *bona fide* and business-like audit of its books of record and account by a competent auditor.

* * * * *

6972.—1. Subject to its by-laws or constitution, any company or association registered under this section, may hold absolutely to its own use and benefit such immovable property as may be necessary or useful in relation to the transaction of its business, and such immovable property, as, being hypothecated to it, is acquired by it for the protection of its investments, and it may, from time to time, sell, hypothecate, lease or otherwise dispose of the same; but the company or association shall sell any immovable acquired in satisfaction of any debt within seven years after it has been so acquired, otherwise it shall be forfeited to His Majesty for the uses of the Province.

2. No insurance company or association shall contract with any of its auditors, trustees, directors or executive officers for any loan or credit, or borrowing of money, and every attempt to so lend or borrow is prohibited.

¶ 18—GENERAL PROVISIONS APPLICABLE TO ALL COMPANIES OR ASSOCIATIONS.

7027.—When the subject matter of any insurance contract is property or an insurable interest within the limits of the Province, or is in connection with a person domiciled or resident therein, any policy, certificate, interim receipt, or writing evidencing the contract shall, if signed, countersigned, issued or delivered in the Province, or committed to the post office or to any carrier, messenger or agent, to be delivered or handed over to the assured, his representative or agent

in the Province, be deemed to evidence a contract made in the Province, and the contract shall be construed according to the law of the Province, and all moneys payable under the contract shall be paid at the office of the chief officer or agent of the company or association effecting the insurance in the Province. This article shall have effect notwithstanding any agreement, condition or stipulation to the contrary.

7028.—1. Where an insurance contract made by any company or association is evidenced by a written instrument, the company or association shall set out all the terms or conditions of the contract in full on the face or back of the instrument forming or evidencing the contract, and, unless so set out, no term or condition, stipulation or proviso modifying or impairing the effect of any such contract made or renewed after the tenth day of February, 1909, shall be good and valid or admissible in evidence to the prejudice of the assured or beneficiary.

2. Nothing contained in this article shall exclude the proposal or application of the assured from being considered with the contract, and the court shall determine how far the insurer was induced to enter into the contract by any misrepresentation contained in the said application or proposal.

3. A mutual benefit or charitable association may, however, instead of setting out the complete contract in the certificate or other instrument of contract, indicate therein, by particular references, those articles or provisions of the constitution, by-laws or rules which contain all the material terms of the contract not inserted in the instrument of contract itself, and the association shall, at or before the delivery over of such instrument of contract, deliver also to the assured a copy of the constitution, by-laws and rules therein referred to.

7029. After any loss or damage to insured property, the insurance company shall have, by a duly accredited agent, an immediate right of entry and access sufficient to survey and examine the property and make an estimate of the loss or damage.

¶ 19—INSURANCE OF THE PERSON.

7030—1. In any insurance of the person, where the money payable by way of premiums, dues or assessments (not being the initial premiums, dues or assessments), under any contract whatsoever, is unpaid, the insured, or one or more of the beneficiaries, under the policy, may, within thirty days from and including the first day on which the money is due, by registered letter or otherwise, pay, deliver or tender to the company or association at its head office, or at its chief agency in the Province, or to the collector or authorized agent of the company or association the sum in default. The contract of insurance shall continue in existence during such thirty days, and any stipulation or agreement to the contrary, shall, as against the assured or his beneficiaries, be utterly void. The thirty days hereinbefore mentioned shall run concurrently with the period of grace or credit, if any, allowed by the insurer for the payment of a premium or of an instalment of premium.

Nothing in this article shall be deemed to extend the period of grace or credit beyond the total of thirty days, or as preventing the insurer from charging legal interest, during such thirty days, upon the amount of the premium due by the insured.

2. Notwithstanding any stipulation or agreement to the contrary, any action or proceeding against the insurer for the recovery of any claim under or by virtue of a contract of insurance of the persons, may be commenced at any time within one year next after the happening of the event insured against, or within the further term of six months, by leave of a judge of the Superior Court, granted upon a

petition, upon its being shown to his satisfaction that there was a reasonable excuse for not commencing the action or proceeding within the first mentioned term.

3. But no such action or proceeding shall be commenced after the expiration of the year and additional six months, except in cases where death is presumed from the assured not having been heard of during seven years, in which case any action or proceeding may be commenced within one year and six months from the expiration of such period.

7031—1. No company or association shall insure or pay on the death of a child under ten years of age, any sum of money which, added to any sum payable on the death of such child by any other insurer, will exceed the following amounts respectively, that is to say:

If such child dies under the age of:—

2 years.....	\$ 32
3 ".....	40
4 ".....	48
5 ".....	56
6 ".....	83
7 ".....	140
8 ".....	168
9 ".....	200
10 ".....	260

Nothing in this article shall apply to such insurance on the lives of children under ten years of age as were in existence on the tenth day of February, 1909, or apply to insurance on the lives of children of any age where the person effecting the insurance has a pecuniary interest in the life of the assured.

2. Where the age of the assured is, at the date of the contract, less than ten years, and the company or association has knowingly, or without sufficient inquiry, entered into any contract prohibited by paragraph 1 of this article, the premiums paid thereunder shall be recoverable from the company or association by the person or persons paying the same, together with legal interest thereon.

3. Every company or association undertaking or effecting insurances on the lives of children under ten years of age, shall print paragraphs 1 and 2 of this article, and article 2590 of the Civil Code, in conspicuous type upon every circular soliciting and upon every application for and every form of contract of such insurance: and any contravention of this provision shall be punishable as an offence against article 6961.

Nevertheless, instead of printing what is required by this paragraph, the company may, with the permission of the Provincial Treasurer, cause to be printed or stamped on the circulars, in every application and every form of contract in conspicuous type, the words: "All insurances effected or solicited in the Province of Quebec in connection with the lives of children under ten years of age are subject to the restrictions contained in article 7031 of the Revised Statutes of Quebec, 1909.

20—GENERAL PROVISIONS APPLICABLE TO ALL FIRE INSURANCE COMPANIES.

7032—1. Every company licensed and registered for the transaction of fire insurance may, within the limits prescribed by the license and registration, insure and reinsure dwelling houses, stores, shops and other buildings, household furniture, merchandise, machinery, live stock, farm produce, and other commodities, against damage or loss by fire or lightning, whether the same happens by accident or any other means except design on the part of the assured, the invasion of an enemy, or insurrection.

SESSIONAL PAPER No. 8

2. Any insurance company registered under this section for the transaction of fire insurance, and lawfully insuring any mercantile or manufacturing risk against fire, may, either by the same or a separate contract, insure the same risk against loss or damage arising from defects in or injuries to sprinklers or other fire extinguishing appliances.

7033—1. Contracts of fire insurance, with the exception of those entered into by mutual insurance companies on the mutual system which are limited to five years, shall not exceed the term of three years; and the insurance of mercantile and manufacturing risks shall, if on the cash system, be for terms not exceeding one year.

2. Any contract that may be made for one year or any shorter period, on the deposit note system, or for three years or any shorter period on the cash system, may be renewed, at the discretion of the board of directors, by a renewal receipt instead of a policy, on the insured paying the required premium, or, in the case of a contract on the deposit note system, by giving a new deposit note; and any cash payments or deposit notes for renewal, must be made at the end of the year or other period for which the deposit note was granted, otherwise the policy shall be null and void.

3. No registered company, authorized to effect insurance against fire in this Province, shall incur liability upon a single risk, to an amount exceeding ten per cent of its capital and surplus, unless such excess is reinsured in another company.

4. The Provincial Treasurer may suspend or cancel the license or registration of a company that assumes a heavier responsibility on a single risk than that permitted by paragraph 3 of this article.

* * * * *

7034.—The conditions set forth in this article shall, as against the insurer, be deemed to be part of every contract of fire insurance entered into or renewed on or after the tenth day of February, 1909, in the Province, with respect to any property therein or in transit therefrom or thereto, and shall be printed on every such policy with the heading "Conditions of the Policy," and no stipulation to the contrary, or providing for any variation, addition or omission, shall be binding on the assured unless evidenced in the manner prescribed by articles 7035 and 7036.

CONDITIONS OF THE POLICY.

1. If any person insures his buildings or goods, and causes the same to be described otherwise than as they really are, to the prejudice of the company, or misrepresents or omits to communicate any circumstance which is material to be made known to the company, in order to enable it to judge of the risk it undertakes, such insurance shall be of no force with respect to the property in regard to which the misrepresentation or omission is made; but when the application is made out by the company's agent, such application shall be deemed to be the act of the company.

* * * * *

7035.—If the insurer desires to vary the said conditions, or to omit any of them, or to add new conditions, there shall be added to the contract containing the printed statutory conditions, words to the following effect printed in conspicuous type and in ink of a different colour:

"VARIATIONS IN CONDITIONS."

"This policy is issued on the above conditions with the following variations and additions: (set forth the conditions.)"

"These variations are made by virtue of the Quebec Insurance Act, and shall have effect in so far as, by the court of judge before whom a question is tried relating thereto, they shall be held to be just and reasonable requirements on the part of the company."

* * * * *

7037.—It is not necessary that the interim receipt which precedes the regular issue of a policy should contain all the conditions of the contract; but the insertion in full in the said interim receipt of the conditions of the contract derogating from the statutory conditions is sufficient. All statutory conditions apply to the interim contract, unless derogated from in the manner indicated by articles 7035 and 7036.

Statutes of 1911, Chapter —.

An Act to amend 'The Manitoba Insurance Act.'

(Assented to March 24, 1911.)

His Majesty, by and with the advice and consent of the Legislative Assembly of Manitoba, enacts as follows:—

1. Section 44 of 'The Manitoba Insurance Act,' being chapter 82 of the Revised Statutes of Manitoba, 1902, is hereby amended by adding thereto the following sub-section:

SESSIONAL PAPER No. 8

(a) Every company licensed under this Act transacting fire or inland marine insurance, or both, shall, in addition to the information required to be given in the statement in this section referred to, include therein a statement showing the total liability of the company, if a Manitoba company, in respect of unearned premiums upon all its outstanding unmatured policies, and, if not a Manitoba company, in respect of unearned premiums upon all its outstanding unmatured policies of insurance upon property in Manitoba.

2. Sub-section 4 of section 64 of the said Act, as enacted by chapter 34 of 5 and 6 Edward VII., is hereby amended by adding at the end thereof the following: 'It shall also be the duty of the officers and agents of the company to furnish the inspector, on his request, with full information as to the total liability of the company, if a Manitoba company, in respect of unearned premiums upon all outstanding unmatured policies, and, if not a Manitoba company, in respect of unearned premiums upon all its outstanding unmatured policies of insurance upon property in Manitoba.'

3. The said Act, as amended by chapter 34 of 5 and 6 Edward VII., is hereby further amended by adding thereto the following sections:

IMPAIRMENT OF CAPITAL AND PAYMENT OF DIVIDENDS.

70. (1) Every company licensed to carry on the business of fire insurance or inland marine insurance, or both, shall at all times maintain assets in Manitoba at least equal in value to the total of the unearned premiums upon all outstanding unmatured policies upon property in Manitoba, calculated pro rata for the times unexpired, together with the amount of matured claims for losses in Manitoba, and all its other liabilities of every kind in Manitoba.

(2) No dividend shall be paid by any such company while its paid-up capital is impaired or while its assets are less than the amount required by the next preceding sub-section, nor shall any dividend be paid which would reduce its assets below the said amount or impair its capital.

(3) If it appears to the inspector of insurance at any time that the assets of any such company fall below the requirements of sub-section (1) of this section, he shall report the fact to the Minister, and state whether or not the company appears to him to have paid any dividend in contravention of the last preceding sub-section, and the Minister, after a full consideration of the matter and after giving the company a reasonable opportunity to be heard, may either recommend the cancellation of the company's license by the Lieutenant-Governor-in-Council, who may upon such recommendation order the cancellation of the same, or the Minister may, upon such terms and conditions as he may deem proper, limit a time within which such company shall make good the deficiency, and, upon the company's failure to make good such deficiency within the time so limited, such license shall be cancelled by the Lieutenant-Governor-in-Council upon the report of the Minister recommending the same.

(4) If at any time it be found that the assets of any such company are less than the amount required by sub-section (1) of this section, by an amount equal to twenty per cent or more of the total amount of the said unearned premiums, calculated as aforesaid, or that the company has paid any dividends in contravention of sub-section (2) of this section, it shall be the duty of the Minister to report the same to the Lieutenant-Governor-in-Council, whereupon the company's license shall be cancelled by order of the Lieutenant-Governor-in-Council.

72. If it should at any time appear, from the annual statement or from the inspector's examination of the affairs and conditions of any company carrying on the business of fire or inland marine insurance, or both, that the unearned premiums on all its outstanding policies of insurance upon property in Manitoba, together with its other liabilities in Manitoba, exceeds its assets in Manitoba, including the deposit in the hands of the Minister, the company shall be notified

1 GEORGE V., A. 1911

by the Minister to make good the deficiency, and on its failure to make the same good (up to the date of making good) within sixty days of being so notified, the Minister shall recommend the cancellation of the license of the company under this Act, and the same shall be cancelled accordingly by order of the Lieutenant-Governor-in-Council.

6. This Act shall come into force on the day it is assented to.

The powers conferred by the Act cease at the end of 2 years from the date it is assented to unless it commences business and goes into actual operation within such two years

FORM OF LICENSES.

5. The license shall be in such form as may be time to time determined by the Superintendent, and it shall specify the business to be carried on by the company.

ISSUE OF LICENSES.

9. The superintendent shall cause to be published yearly in the *Gazette* a list of companies licensed under this Act, with the amount of the deposit (if any) made by each company; and upon a new company being licensed or upon the license of a company being withdrawn, he shall publish a notice thereof in the *Gazette* for the space of four weeks.

Documents to be filed.

10. Before the issue of a license to a company other than a Provincial company, such company shall file in the office of the Superintendent the documents provided for in the next following subsections, that is to say:—

(a) A certified copy of the Act of Incorporation or other instrument of association of the company, which shall include its charter and regulations, verified in manner satisfactory to the Superintendent; and if any such instrument is not written in the English language, a notarially certified translation thereof:

(b) An affidavit or statutory declaration that the company is still in existence and legally authorized to transact business under its charter;

(c) A certified copy of the last balance-sheet and auditor's report thereon;

(d) Notice of the place where the head office without the Province is situate;

(e) Notice of the place where the head office of the company in the Province is to be situate:

(f) The amount of the capital of the company and the number of shares into which it is divided; the number of shares subscribed and the amount paid up thereon:

(g) A duly executed power of attorney under its common seal empowering some person therein named and residing in the city or place where the head office of the company in this Province is situate, verified in manner satisfactory to the Superintendent, to act as its attorney and to sue and be sued, plead or be impleaded in any Court, and generally on behalf of such company, and within the Province, to accept service of process and to receive all lawful notices, and to do all acts and to execute all deeds and other instruments relating to the matters within the scope of the power of attorney and of the company to give to its attorney: Provided that whenever the company has by power of attorney under the seal of the company appointed a general agent for Canada, and has thereby authorized such general agent to appoint other agents in the various provinces of Canada, then, after filing with the Superintendent a copy of said power duly certified by a Notary Public to be a true copy thereof, other powers of attorney executed by the said general agent for Canada, under his seal, in the presence of a witness, verified in manner satisfactory to the Superintendent, shall be deemed sufficiently executed by the company for all the purposes of this Act;

(h) In the case of companies not licensed under the "Insurance Act" of Canada, a statement in such form as may be required by the Superintendent of the condition and affairs of the company on the thirty-first day of December then next preceding, or up to the usual balancing day of the company, or as the said Superintendent shall require.

11. Such power of attorney shall declare at what place in the Province the chief agency, head office, or office of the attorney of the company is or is to be established, and shall expressly authorize the attorney to receive service of process in all actions, suits, and proceedings against the company in the Province in respect of any liabilities incurred by the company therein; and shall declare that service of process for or in respect of such liabilities thereat, or on the attorney, or any adult person in the employ of the company at the said office, shall be legal and binding, on the company to all intents and purposes whatsoever.

12. Whenever a company licensed under this Act changes its attorney, head office, or chief agency in the Province, the company shall file a power of attorney containing a declaration specifying the change, and a similar declaration as to service of process as hereinbefore mentioned.

13. Every company licensed under this Act to do fire insurance business in the Province shall cause to be printed, stamped, or written in plain letters across the face of every policy, interim receipt, or other insuring document covering fire loss issued by or on behalf of such company on property of any kind (either real

or personal) in the Province, or which on the face of such policy, interim receipt, or other insuring document is stated to be in the Province, the words: "Licensed under the 'British Columbia Fire Insurance Act'."

Deposit and Securities.

14. Every company shall, before the issue of the license, lodge with the Minister, either in cash or in any stock, debentures, or other securities approved by the Lieutenant-Governor in Council, a sum not less than twenty thousand dollars, accompanied by an affidavit of at least two of the principal officers of the company that the said securities are absolutely the property of the company and are free from liens and incumbrances of any nature whatsoever:

Provided, however, that the Minister may accept in lieu of such deposit a satisfactory bond of a guarantee company, approved by the Lieutenant-Governor in Council, that when called upon by the Superintendent it will provide a percentage of the amount at risk in the Province to enable him to reinsure the risks carried by such company in the Province.

15. Notwithstanding the provisions of its charter of incorporation, every company heretofore or hereafter chartered under the authority of the Legislature shall be governed only by this Act in regard to deposits to be made with the Minister.

16. Securities of the Dominion of Canada or securities issued by any of the Provinces of Canada shall be accepted at their market value at the time when they are deposited.

17. Other securities shall be accepted at such valuation as the Minister may direct.

18. If the market value of any of the securities which have been deposited by any company declines below the value at which they were deposited, the Minister may from time to time call upon the company to make a further deposit, so that the market value of all the securities deposited by any Company shall be equal to the amount which they are required to deposit by this Act.

19. Where any company desires to substitute other securities for securities deposited, the Minister may permit the substitution to be made.

20. The securities so deposited as aforesaid may be used by the Minister for the purpose of reinsuring all or any part of the risks of the company outstanding in the Province as and when the Superintendent may see fit.

21. *A company having made a deposit under this Act shall be entitled to withdraw the same with the sanction of the Minister, whenever it is made to appear to him that the company is carrying on its business of insurance under license of the Dominion of Canada.*

22. If from the annual statements or from an examination of the affairs and conditions of any company it appears that the reinsurance value of all its risks outstanding in the Province, together with any other liabilities in the Province, exceeds its assets in British Columbia, including the deposit in the hands of the Minister, then the company shall be called upon by the Minister to make good the deficiency at once, and on failure so to do its license shall be cancelled.

23. Except in cases in respect to which it may be otherwise provided by the Minister, so long as any company's deposit is unimpaired and no notice of any final judgment or order to the contrary is served upon him, the interest upon securities forming a deposit shall be handed over to the company when received by him.

24. Where a company fails to make the deposits under this Act at the time required, or where written notice has been served on the Superintendent of an undisputed claim arising from loss insured against in the Province remaining unpaid for the space of sixty days after being due, or of a disputed claim after

SESSIONAL PAPER No. 8

final judgment in the regular course of law and tender of a legal, valid discharge being unpaid, so that the amount of securities representing the deposit of the company is liable to be reduced by sale of any portion thereof, the license of the company shall, ipso facto, be null and void and shall be deemed to be cancelled; but the license may, in the two last-mentioned cases, be renewed and the company may again transact business if within six months after notice to the Superintendent of the company's failure to pay any undisputed claim or the amount of any final judgment, as provided in this section, such undisputed claim or final judgment upon or against the company is paid and satisfied, and the company's deposit is no longer liable to be reduced below the amount required by this Act.

ADMINISTRATION OF SECURITIES.

25. The securities deposited with the Minister shall be subject to administration only in respect of any contract which falls within section 2 of this Act, and which further has for its subject some property in the Province, or property in transit to or from the Province, or insurable interest of some resident of the Province, or where the contract itself makes the payment thereunder primarily payable to some resident of the Province.

26. Any company shall be liable, upon the application of any creditor or policyholder, to have its deposits in the hands of the Minister administered in manner hereinafter mentioned upon the failure of the company to pay any undisputed claim arising under any contract within the last preceding section for the space of sixty days after being due, or, if disputed, after final judgment and tender of a legal, valid discharge, and (in either case) after notice thereof to the Minister. In the event of such administration, all deposits of the company held by the Minister shall be applied pro rata towards the payment of all claims duly authenticated against the company, as well as in respect of unearned premiums, such being claims and premiums under the contract aforesaid; and the distribution of the proceeds of such deposits may be made by order of the Court.

27. In any case where a claim accruing on the occurrence of any event is by the terms of the contract payable on proof of such occurrence without any stipulated delay, the notice required in the last preceding section shall not be given until after the lapse of sixty days from the time when the claim becomes due.

28. Before an application is made to the Court for the administration of a company's deposit with the Minister, at least ten days' notice of the intended application shall be served on the Superintendent, and the notice shall designate the day named for the hearing of the application.

29. Upon granting an order for administration as aforesaid, the Court shall appoint a receiver, who may be an officer of the Court, who shall forthwith call upon the company to furnish a statement of all its outstanding contracts, being within sections 2 and 25 of this Act, and upon all claimants under such contracts to file their claims; and upon the filing of the claims before the receiver the parties interested shall have the right of contestation thereof, and the right of appeal from the decision of the receiver to the Court as aforesaid, according to the practice of the Court; and in case of any such administration, the claimants aforesaid shall be entitled to claim for a part of the premiums paid proportionate to the unexpired period of their contracts respectively, and such unearned premiums shall rank, in the distribution of the assets, with judgments obtained and claims accrued; and upon the completion of the schedule to be prepared by the receiver of all judgments against the company upon said outstanding contracts, and of all claims for unearned premiums or for surrender of policies, the Court shall cause the securities held by the Minister for the company, or any part of them, to be sold in such manner and after such notice and formalities as the Court appoints; but

all the proceeds thereof, after paying expenses incurred, shall be distributed pro rata amongst the claimants according to the schedule, and the balance (if any) shall be surrendered to the company. But if any claim arises within section 25 of this Act, after the statement of the said outstanding contracts has been obtained from the company as hereinbefore provided, and before the final order of the Court for the distribution of the proceeds of the securities, the holder of such claim, upon due proof thereof, shall be entitled to share in such distribution.

As to any claim arising after the distribution of the proceeds of the securities and as to any balance of claims against the company not fully paid and met by such distribution, the holders of such claims shall not be barred from any recourse they may have against the company.

30. The Court, by the order appointing a receiver or by any subsequent order, may authorize the receiver to exercise, in respect of the accounts of the company, all or any of the powers which the Registrar of the Court would have if he were taking an account of the claims against the said deposit; and every receiver so authorized shall possess the said powers, as well as the powers usually enjoyed by a receiver appointed under an order of the said Court.

SURRENDER OF SECURITIES.

31. When a company has ceased to transact business in the Province, and has given written notice to that effect to the Superintendent, it shall reinsure all such outstanding contracts as are within section 25 of this Act with some company or companies licensed to do business in the Province, or obtain a discharge of such contracts; and its securities shall not be delivered to the company until the same is done to the satisfaction of the Superintendent.

32. When a company has ceased to transact business in the Province after the notice hereby required and its license has in consequence been withdrawn, the company shall pay the losses arising from policies not reinsured or surrendered as if the license had not been withdrawn.

33. Upon making application for securities, the company shall file with the Superintendent a list of all contracts within section 25 of this Act, which have not been reinsured, as provided by section 31 of this Act, or have not been discharged; and it shall at the same time publish in the Gazette and in such newspaper or newspapers as the Superintendent may direct a notice that it has applied to the Minister for the release of its securities on a certain day, not less than three months after the date of the notice, and calling upon all claimants, contingent or actual, opposing the release to file their opposition with the Superintendent on or before the day so named; and after that day, if the Minister is satisfied that the company has ample assets to meet its liabilities under section 25 of this Act, all the securities may be released to the company by an order of the Lieutenant-Governor in Council, or a sufficient amount of them may be retained to cover the claims filed, and the remainder may be released; and thereafter from time to time, as such opposing claims lapse or proof is adduced that they have been satisfied, further releases may be made on the authority aforesaid.

DEPARTMENT OF INSURANCE.

34.—(1) The Lieutenant-Governor in Council may appoint an officer to be called "the Superintendent of Insurance" who shall have such powers, rights, and privileges of administration as may be required under the provisions hereof, and such officer shall be paid such salary as may be determined from time to time by the Lieutenant-Governor in Council.

(2) The Superintendent shall act under the instructions of the Minister, and shall examine and report to the Minister from time to time upon all matters

SESSIONAL PAPER No. 8

connected with fire insurance as carried on by the several companies licensed to do business in British Columbia or required by this Act to make return of its affairs.

(3) The branch of the Civil Service by which the provisions of this Act are administered shall be known as "the Department of Insurance."

(4) The Superintendent shall keep a record of the several documents required to be filed by each company under this Act, and shall—

(a) Enter in a book under the heading of such company the securities deposited on its account with the Minister, naming in detail the several securities, their par value, their date of maturity, and value at which they are received as deposit, and such books shall be left open to public inspection;

(b) In each case, before the issue of any new license or the renewal of any license, make a report to the Minister that the requirements of the law have been complied with, and that from the statement of the affairs of the company it is in a condition to meet its liabilities;

(c) Keep a record of the licenses as they are issued;

(d) Visit personally or cause a duly qualified member of his staff to visit the head office or chief agency of each company in British Columbia at least once in every year, and examine carefully the statements of the condition and affairs of each company as required under this Act, and report thereon to the Minister as to all matters requiring his attention and decision;

(e) Prepare for the Minister from the said statements an annual report, on or before the thirty-first day of December in each year, showing the full particulars of each company's business, together with an analysis thereof, giving items classified from the statement made by each company.

(5) If the Superintendent, after a careful examination into the condition and affairs and business of any company licensed to transact business in British Columbia from the annual or other statements furnished by such company to the Minister, or for any other cause, deems it necessary and expedient to make a further examination into the affairs of such company, and so reports to the Minister, the Minister may, in his discretion, instruct the Superintendent to visit the head office or chief agency of such company to thoroughly inspect and examine into all its affairs, and to make all such further inquiries as are necessary to ascertain its condition and ability to meet its engagements, and whether it has complied with all the provisions of this Act, applicable to its transactions.

(6) The officers or agents of such company shall cause their books to be opened for the inspection of the Superintendent, and shall otherwise facilitate such examination so far as it is in their power.

(7) For the purpose of such inquiry the Superintendent may examine under oath the officers or agents of such company relative to its business.

35. (1) A report of all companies so visited by the Superintendent shall be entered in a book kept for that purpose, with notes and memoranda showing the condition of each company after such investigation.

(2) A special report shall be communicated in writing to the Minister, stating the Superintendent's opinion as to the standing and financial position of every company so visited, and all other matters desirable to be made known to the Minister, which shall not be open to public inspection.

36. (1) If it appears to the Superintendent that the assets of any company are insufficient to justify its continuance in business, or that it is unsafe for the public to effect insurance with it, he shall make a special report on the affairs of such company to the Minister.

(2) If the Minister, after full consideration of the report and after a reasonable time has been given to the company to be heard by him, and upon such further inquiry and investigation as he sees proper to make, reports to the Lieutenant-Governor in Council that he agrees with the Superintendent in the opinion

1 GEORGE V., A. 1911

so expressed in his report, the Lieutenant-Governor in Council may, if he also agrees in such opinion, suspend or cancel the license of such company and prohibit the company from doing any further business; and thereafter it shall be unlawful for the company to do any further business in the Province until the suspension or prohibition is removed by the Lieutenant-Governor in Council.

(3) Notice of the suspension or cancellation of any license and prohibition from doing any further business shall be published in the *Gazette*; and thereafter any person transacting any business on behalf of the company, except for winding up its affairs, shall be deemed, for each offence, to be liable to the penalty provided by this Act.

(4) The suspension or cancellation or non-renewal of the license of any company under the "Insurance Act, 1910" (Dominion), shall, *ipso facto*, in the respective cases operate as a suspension or cancellation under this Act without notice from the Minister: Provided that if the companies licensed shall be revived under the said Act, the Minister shall, on proof of such revival and payment of the proper fees, grant said Company a new license.

(5) Such company shall during such suspension or cancellation be held to be unlicensed and unauthorized to do further business. The Minister may, however, issue such modified or conditional license as may be necessary for the protection of policyholders.

37. (1) The Minister may from time to time instruct the Superintendent to visit the head office of any company licensed under this Act and incorporated or legally formed elsewhere than in British Columbia, and to examine into the general condition and affairs of such company.

(2) If such company declines to permit such examination or refuses to give any information desired for such purpose in its possession or control, its license may be withdrawn by the Minister.

38. The Lieutenant-Governor in Council may from time to time appoint such officers and clerks under the Superintendent as are necessary for the purpose of this Act, and define their duties, which may be coextensive with those of the Superintendent as defined by this Act.

39. The Superintendent or any officer or clerk under him shall not, directly or indirectly, be interested as a shareholder in any insurance company doing business in British Columbia.

Investigation of Fire Losses.

40. (1) The Superintendent may investigate the cause, origin, and circumstance of every fire occurring in the Province by which property has been destroyed or damaged, and shall especially make investigation as to whether such fire was the result of negligence, carelessness, accident, or design or how otherwise, and shall have the right to supervise and direct such investigation whenever he deems it expedient or necessary, and shall keep in his office a record of all fires reported to him, together with all the facts, statistics, and circumstances, including the origin of the fires, which may be determined by the investigation provided by this Act; such records shall at all times be open to the public inspection.

(2) He shall have all the power, authority, and jurisdiction of any Magistrate or Coroner to take or cause to be taken the testimony on oath of all persons supposed to be cognisant of any of the facts or to have means of knowledge in relation to the matter as to which an examination is required to be made, and shall cause the same to be reduced to writing, with or without the intervention of a stenographer; and if he shall be of opinion that there is evidence sufficient to charge any person with the crime of arson, he shall at once report to the Attorney-General and furnish him with all such evidence, together with the names of witnesses and all the information obtained by him.

SESSIONAL PAPER No. 8

(3) He shall have power to summon and compel the attendance of witnesses before him to testify in relation to any matter which is, by the provisions of this Act, a subject of inquiry and investigation, and may require the production of any book, paper, or document deemed pertinent thereto, and to administer oaths and affirmations to any persons appearing as witnesses before him.

(4) He shall also have power at all times of day and night, in the performance of his duties, to enter upon and examine any building or premises where any fire has occurred, and other buildings or premises adjoining or near the same, and to issue warrants to answer the contempt of any person in refusing or neglecting to attend to give evidence, or refusing to take the oath or be examined or answer questions concerning the subject of the inquiry; and may impose upon the person making default such fine as he may think fit, not exceeding one hundred dollars, or may by warrant commit the person so refusing to the common gaol of the county wherein the inquiry is held, there to remain and be imprisoned for any period, not exceeding three months, unless in the meantime he purges his contempt.

(5) If the Superintendent be satisfied by evidence upon oath that it is probable that such person will not attend to give evidence without being compelled to do so, then instead of issuing a summons he may in the first instance issue his warrant.

(6) The Superintendent shall be entitled to command the services of one or more police officers or constables during such inquiries, and for the services of any summons or the execution of warrants issued by him.

(7) Any investigation held by or under the direction of the Superintendent under this Act, may, in the discretion of the Minister, be private, and persons other than those required to be present by the provisions of this Act may be excluded from the place where such investigation is held, and witnesses may be kept separate and apart from each other and not allowed to communicate with each other until they have been examined.

(8) The Superintendent or his deputy or subordinates, the chiefs of the fire departments of all cities, towns, and villages where a fire department exists, and the Mayor of any town or Reeve where no fire department exists, upon complaint of any person having an interest in any building or property adjacent, or without any complaint, shall have the right at all reasonable hours, for the purposes of examination, to enter into and upon all buildings and premises within their jurisdiction, and whenever any of the said officers shall find in any building or upon any premises combustible material, or conditions dangerous to the safety of the said building or premises, they may order such combustible material to be removed or such dangerous conditions remedied; and every such order shall be forthwith complied with by the owner or occupant of such building or premises: Provided, however, that if the said occupant or owner shall deem himself aggrieved by any such order made by any person other than the Superintendent, he may within forty-eight hours appeal therefrom to the Superintendent, and the cause of complaint shall be at once investigated by the direction of the latter; and unless the order is revoked by the authority of the Superintendent, such order shall remain in force and be forthwith complied with by such owner or occupant, and there shall be no appeal from the order of the Superintendent in any such matter.

(9) Any owner or occupant of buildings or premises failing to comply with the orders of any of the authorities in the last preceding section mentioned shall be liable, on summary conviction therefor before a Justice of the Peace or any person having a similar jurisdiction to a fine of not less than ten dollars nor more than one hundred dollars for each day's neglect or failure to comply therewith, and in default of payment of such fine to imprisonment for any term not exceeding sixty days.

(10) The provisions of, and the procedure and forms prescribed by, the "Summary Convictions Act" shall, so far as the same are applicable, apply to and govern the inflicting and levying of fines and penalties under this Act.

(11) All fines and penalties imposed under the said sections shall be payable to His Majesty the King, his heirs and successors, for the public uses of the Province.

(12) The Lieutenant-Governor in Council may from time to time appoint any person or persons as deputy or deputies to the Superintendent for the purpose of conducting such investigations, and such deputy shall thereupon become clothed with the same authority as the Superintendent.

INSURANCE IN UNLICENSED COMPANIES.

41. Notwithstanding anything in this Act contained,—

(1) Any person may insure his property or any property in which he has an insurable interest situated in the Province, or property in transit to or from the Province, with any British or foreign unlicensed insurance company or underwriters, and may also insure with persons who reciprocally insure for protection only and not for profit; and any property insured or to be insured under the provisions of this section may, subject to the provisions of the next succeeding section hereof, be inspected, and any loss incurred in respect thereof adjusted: Provided such insurance is effected outside of the Province and without any solicitation whatsoever, directly or indirectly, on the part of such company, underwriters, or persons by which or whom the insurance is made: Provided, further, that no such company, underwriters, or persons shall, within the Province, advertise their business in any newspaper or other publication or by circular, or maintain an office or agency therein for the receipt of applications or the transaction of any act, matter, or thing relating in any way to their said business:

(2) Provided, further, that every person so insuring property shall make a return to the Superintendent, giving the location and a brief description of the property insured, the amount of the Insurance, and whether insured in Lloyd's or other similar associations, or in mutuals, reciprocal or other class of insurers; such return to be made by delivering or mailing it in a registered letter addressed to the Superintendent not later than the first day of March in each year for the year ending on the preceding thirty-first day of December:

(3) Provided, further, that such insurer or its representative, shall obtain a license from the Superintendent to have such risk inspected, or adjusted, subject to such rules and regulations as may be imposed from time to time by the Lieutenant-Governor in Council.

TAXATION.

42. (1) A tax shall be imposed on all premiums payable on risks in the province of two per cent. of the amount of such premiums, as shown by the returns to be made to the Insurance Department:

(a) In the case of such insurance premiums being paid to unlicensed companies, mutuals, or Lloyd's or otherwise than to a company licensed under this Act, such tax shall be payable by the insured:

(b) In case of premiums paid to companies licensed under this act, such tax shall be payable by the company receiving the same; and the provisions of the "Assessment Act," or, in the absence of appropriate provisions, such provisions as may be adopted by order of the Lieutenant-Governor in Council, for the purpose of enforcing payment of such tax shall apply in each case:

Provided, however, that this section shall not apply to companies already licensed and assessed under the "Assessment Act, 1903," and amending Acts, until the first day of January, A.D. 1912; and provided, further, that thereafter the pro-

SESSIONAL PAPER No. 8

visions of the "Assessment Act," shall not apply to that portion of the revenue of said companies derived from premiums upon which taxes are paid under this Act.

(2) Notwithstanding anything in any other Act contained, no company licensed under this Act shall be required to obtain a further license from any municipality.

ANNUAL STATEMENT.

43. (1) It shall be the duty of the president, vice-president, managing director, secretary, or manager of the company, and the treasurer, when the secretary is not also the treasurer of the company, to prepare annually on the first day of January, or within one month thereafter, a statement of the condition and affairs of the company on the date of the annual statement then next preceding, exhibiting the assets, liabilities, receipts, and expenditure in such form and with such items and details as shall be required by the Superintendent, and to cause such statement to be deposited in the office of the Superintendent; such statement to be accompanied by a statutory declaration to the effect shown in the form in the schedule to this Act, taken by a person authorized to take the same.

(2) The Superintendent may from time to time make such changes in the form of the statements as seem to him best adapted to elicit from the companies a true exhibit of their condition in respect to the several points enumerated in the preceding section.

(3) Every company shall, when required by the Superintendent, make prompt and explicit answer in reply to any inquiries in relation to its transactions.

CHANGE OF NAME.

44. Where a company incorporated under the provisions of a special or general Act of the Legislature is desirous of adopting a name differing from that by which it was incorporated, or where, in the opinion of the Lieutenant-Governor in Council, the name by which such company was incorporated may be easily confounded with that of any other existing company, the Lieutenant-Governor in Council, upon being satisfied that a change of name will not work or effect any improper purpose, may by Order in Council change the name of the Company to some other name to be set forth in the Order in Council; but no such change of name shall affect the rights or obligations of the company; and all proceedings which might have been commenced or continued by or against the company by its former name may be commenced and continued by or against the company by its new name.

45. The Lieutenant-Governor in Council may require the same notice to be given upon any application for such change of name as is required under the "Companies Act."

(3) In any prosecution under this Act, whenever it appears that the defendant or accused has done any act or has been guilty of any act or omission in respect of which, were he not duly licensed he would be liable to some penalty under this Act or the regulations promulgated hereunder, it shall be incumbent upon the defendant or accused to prove that he or it is duly licensed.

7—SASKATCHEWAN LEGISLATION.

Statutes of 1911, Chapter 9.

Attention is directed to the Workmen's Compensation Act, assented to March 23, 1911.

This Act will be of interest to Companies carrying in the business of accident insurance. It has not been deemed necessary however to do more here than refer to it.

The following Act was passed by the Legislature of the Province of Saskatchewan in the Session of 1911, assented to March 14, 1911:

An Act to amend "an Act to incorporate the Saskatchewan Guarantee and Fidelity Company".

This Company was incorporated by chapter 51 of the Statutes of 1908 assented to June 17, 1908, with power to carry on guarantee and plate glass insurance—

The amending Act increases the authorized capital from \$250,000 to \$1,000,000 and grants power to increase the same to \$2,000,000 and repeals the power of the Company to issue bonds and debentures to secure payment of sums borrowed by it.

PROMOTION OF NEW COMPANIES.

An important change in the law regarding the promotion and organization of insurance companies is contained in section 184 of the Insurance Act, 1910, which is as follows:—

“The entire cost of procuring the incorporation and subscriptions for stock shall be charged directly to the account of the shareholders and the amount thereof fixed by percentage on the capital stock or fixed in bulk and shown on the face of the form of the stock subscription contract, and shall not form a charge upon or be paid out of the paid-up capital nor from the insurance funds, nor be in any way chargeable directly or indirectly against the policy-holders.”

The effect of this section is to render it necessary to sell the stock at a premium sufficient at least to cover the commission on the sale thereof and the cost of procuring the incorporation so that the Company can commence business without an impairment of capital. The total premium moreover ought not to be expended in procuring subscription but a portion kept in reserve for purposes of organization

1 GEORGE V., A. 1911

In the past it has been too frequently the custom of promoters to attempt to make a harvest for themselves or their friends from the extravagant commissions allowed to those who procure the subscriptions. The undersigned ventures to submit that the habit of peddling out shares in small lots at what under such conditions can scarcely be otherwise than extravagant commissions, is not in the interest of either shareholders or policyholders of the Company.

The steady increase from year to year in the bulk of the full report issued from the Department, owing to the increase in the number of licenses issued, the number of classes of business transacted by the companies and the greater volume of the statements contained therein, it has been deemed expedient to issue the report for the business of 1910 in two volumes, one of which (Volume I.) deals with all classes of insurance (other than life insurance) transacted by the various companies; and the other (Volume II.) with the business transacted by life insurance companies. It is believed that this division will render the report more generally useful and it is hoped that an earlier issue, of at least one volume, will be secured thereby.

I have the honour to be, sir,
Your obedient servant,

W. FITZGERALD,
Superintendent of Insurance.

‡The capital stock of this Company which had previously been \$500,000, the whole of which was subscribed and \$125,000 paid thereon, was by chapter 83 of the Statutes of 1904, reduced to \$250,000, the amount paid up remaining unchanged. An additional \$125,000 was paid in out of surplus in 1905. In 1909, by virtue of the above statute, the capital was increased to \$500,000. An additional \$250,000 was paid in out of surplus in 1909, making the capital fully paid up.

Further calls received during 1907 bring the paid up capital to \$125,000. The subscribed capital was reduced from \$500,000, to \$250,000, at which it now stands.

¶In December, 1906, preference stock of this Company to the amount of \$500,000 was called in and cancelled, and a new issue of \$1,000,000 7 per cent preference stock was made at 25 per cent premium. The total capital stock is now \$2,500,000, fully subscribed.

FIRE DEPARTMENT.

The Fire Premiums, after deducting reinsurances, amounted to £578,915 12s. 8d., as against £554,849 13s. 5d. in 1909, showing an increase of £24,065 19s. 3d., and the Losses, after making the same deduction, to £278,548 4s. 8d (48·11 per cent. of the premiums), as against £292,031 4s. 4d. in 1909, being a reduction of £13,482 19s. 8d.

The Expenses of Management, including Fire Brigade Charges, and Commission together amounted to £211,601 1s. 8d., being 36·55 per cent of the premiums.

After providing for losses, expenses, bad debts, and for the additional premium reserve (£11,250) required by the increase in premiums during the year, there was a profit on the Trading Account of £77,492 12s. 3d. Adding to this the interest on the Reserve Funds, which amounts to £30,171 12s. 1d., there results a profit of £107,664 4s. 4d. Out of this sum the Directors have carried £20,000 to the General Reserve Fund, leaving a balance of £87,664 4s. 4d. to be transferred to Profit and Loss. The Premium Reserve Fund now amounts to £256,900, and the General Reserve Fund to £540,000, making the Total Fund in this Department £796,900.

FIRE DEPARTMENT.

The premiums received last year amounted to £1,273,731, showing, in comparison with the premiums of the previous year, an increase of £45,029. The losses incurred amounted to £601,912, or 47·3 per cent of the premiums. The general average of the experience of the company from the beginning is now 57·8 per cent, or, including its provision for losses on current risks, 60 per cent. The expenses of management (including commission to agents and charges of every kind) came to £474,077, or 37·2 per cent of the premiums, a ratio slightly less than that of the previous year.

The result is that, after charging the account with £636,866, being 50 per cent of the premiums of the year, and crediting it with £614,351, the amount similarly charged

1 GEORGE V., A. 1911

PHOENIX ASSURANCE—*Continued.*

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1910.

FIRE DEPARTMENT.

The fire premiums received, after deducting reinsurances, amounted to £1,410,000, and the losses paid and outstanding to £701,129, or 49·7 per cent of the premiums. The expenses and commission together amounted to £540,523, being 38·3 per cent of the premiums. A profit is shown in this department of £168,429, which with the receipts for interest of £53,672 makes a total of £222,101 to be carried to profit and loss.

PROFIT AND LOSS ACCOUNT.

The operations of the year resulted in an amount standing to the credit of profit and loss, including £222,101 transferred from the fire account and £70,903 interest not carried to other accounts, of £407,045. From this sum the directors have set aside £125,000 as an addition to the fire general reserve, increasing that reserve to £925,000. This leaves an available balance in profit and loss of £282,045, and the shareholders' profits from the life department for the past five years, amounting to £52,000, as before mentioned, will be duly credited to profit and loss in the current year.

The directors now recommend payment of a total dividend for the year 1910 of 35s. per share (equal to 35 per cent on the paid-up capital), subject to income tax. After deduction of 2s. for income tax and 12s., the net interim dividend paid on the 1st November last, there remains to be paid a net balance of 21s. per share upon the 76,396 shares forming the capital of the company, which will absorb £80,216. For the past four years the dividend has been at the rate of 30s. per share, free of tax. The profits contributed by the life department as stated above are sufficient to maintain the increase in the dividend during the current quinquennium. The directors recommend that future dividends be declared subject to deduction of income tax.

INSURANCE DEPARTMENT, OTTAWA, July 4, 1911.

To The Honourable W. S. FIELDING,
Minister of Finance.

SIR,—I have the honour herewith to submit the statements in detail of Life Insurance Companies for the year 1910, together with such an abstract and analysis of them as appears proper to exhibit the progress of the business and the condition of the companies.

LIFE INSURANCE, 1910.

The business of life insurance was transacted by forty three active companies, of which twenty-five are Canadian, seven British and eleven American. This list differs from that of the previous year by the addition of a Canadian Company, the Travellers Life Insurance Company of Canada, and of a Canadian Fraternal Society, the Royal Guardians, which has received a license similar to that issued to the Subsidiary High Court of the Ancient Order of Foresters, for the transaction of life and sickness insurance.

INSURANCE EFFECTED DURING THE YEAR.

The total amount of policies in Canada taken during the year 1910 was \$152,762,520, which is greater than the amount taken in 1909 by \$21,023,442. The Canadian companies show an increase in 1910 of \$11,240,701, whilst in 1909 they had an increase of \$10,092,394; the British companies have an increase of \$240,332, whilst in 1909 they had an increase of \$540,473; and the American companies have an increase of \$9,542,409, whilst in 1909 they had an increase of \$21,210,005, the total increase in 1910 being \$21,023,442, as above stated.

The respective amounts effected are:—

Canadian companies.....	\$ 90,362,678
British companies.....	4,170,562
American companies.....	<u>58,229,280</u>

So that the amount taken by native companies exceeds that taken by the British and American together by about \$28,000,000.

Life Insurance in force in 1910.

The total amount of insurance in force in Canada at the date of the statements was \$856,113,059, which shows the large increase of \$75,756,079 over that of the previous year, being distributed as follows:—

	Amount in force.	Increase.
Canadian companies	\$ 565,669,110	\$ 50,251,673
British companies.....	47,816,775	831,583
American companies.....	242,629,174	24,672,823
Total.....	<u>\$ 856,113,059</u>	<u>\$ 75,756,079</u>

The following tables will enable the progress of the total business to be traced during the past thirty-six years, both as regards the amount of insurance effected from year to year and the total amount in force:—

Amount of Insurance terminated in 1910.

The amount of insurance terminated in natural course, namely, by death maturity, or expiry, was \$13,570,019, which is greater by \$2,134,958 than the corresponding amount in the previous year; and the amount terminated by surrender and lapse was \$72,700,096, being greater than in the previous year by \$9,919,490.

Relatively to the amounts at risk the amounts so terminated are somewhat in excess of those of the previous year, giving for every \$1,000 of current risk \$15.85 terminated in natural course and \$84.92 by surrender and lapse, making a total of \$100.77. In the year 1909 these rates were \$14.56 and \$79.94, respectively, making a total of \$94.50, thus giving a difference of \$6.27 for each \$1,000 at risk.

The following table exhibits the rates for the last six years:—

The average amount of *new* policies is: for Canadian companies, \$1,740; for British companies, \$2,347; and for American companies, \$1,440. The corresponding amounts last year were \$1,656, \$2,092 and \$1,467.

SESSIONAL PAPER No. 8

DEATH RATE.

In the calculation of the death rate this year, as in previous years, the mean number of policies in force and the number of policies terminated by death during the year have been admitted as approximations to the mean number of lives exposed to risk and the number of deaths during the year, respectively. It is believed that the results arrived at represent the actual mortality per 1000 among insured lives in Canada as accurately as can be gathered from the returns of the companies.

Hence for every \$100 premiums received there has been paid to policy-holders \$53.53, leaving \$46.47 to be carried to reserve, expense and profits.

Collecting the results for the thirty-two years, 1879 to 1910, we find that the total payments to policy-holders amount to 52.11 per cent of the premium income during the same period.

Canadian Companies.

The assets and liabilities, income and expenditure, of the Canadian life companies will be found exhibited in the statements under their respective headings at pages xlvi, l, lv and lviii. The tables of mortality employed by the various companies in the calculation of their reinsurance reserve are shown in the table on page l.

SESSIONAL PAPER No. 8

From tables on pages lv and lviii referred to, it will be seen that the Canadian companies have received an income of \$36,988,777, drawn from the following sources:—

Premiums and annuity sales.....	\$ 28,048,457
Interest and dividends.....	7,929,464
Sundry.....	1,010,856
<hr/>	
Total.....	\$ 36,988,777

And they expended \$21,838,001 under the following items:—

Paid to policy-holders and annuitants.....	\$ 13,816,303
General expenses (including investment expenses)	7,334,245
Taxes.....	292,345
Dividends to stockholders.....	395,108
<hr/>	
Total.....	\$ 21,838,001

Hence out of every \$100 of income they have expended in payment to policy-holders, \$37.35; in general expenses, \$19.83; in taxes, 79 cents; and in dividends to stockholders, \$1.07; leaving \$40.96 to be carried to reserve.

By reference to the table at page xlviii, it will be seen that the total assets at December 31, 1910, of the Canadian life companies other than assessment and fraternal companies (including \$7,007,999 outstanding and deferred premiums, and interest and rents due and accrued which have not yet gone into income) amount to \$170,804,631, an increase over the corresponding amount at the end of the year 1909 of \$17,014,340.

The amount of risks in force has increased during the year from \$646,710,120 to \$707,498,804, a gain of \$60,790,684, and the reserves have increased from \$132,928,780 in 1909 to \$146,487,697 in 1910, an increase of \$13,558,917.

VALUATION OF LIFE POLICIES IN CANADA.

The policy contracts of a number of licensed life insurance companies have been valued by the Department since the issue of the report of 1909. The method of valuation employed was that usually designated as the net premium method. Generally speaking, the benefits guaranteed in each contract were valued on the basis of the O^m(5) Mortality Table of the Institute of Actuaries with interest at 4 per centum for policies issued prior to January 1, 1900, and at 3½ per centum for policies issued after December 31, 1899; but policy contracts under which the guaranteed surrender values are equal to the pure premium reserve according to a basis of valuation giving higher reserves than the basis above specified were valued on the basis on which the surrender values are calculated, and in all other

SESSIONAL PAPER No. 8

cases in which the surrender values are in excess of the statutory reserve, adjustments were made so as to bring the reserve liability up to not less than the guaranteed surrender values. For the valuation of industrial policies at ages below ten the Om(5) Table of Mortality was supplemented by the English Life Table No. 3, males and females combined.

Life annuities were valued according to the British Offices Life Annuity Tables (1893), with interest at 4% or $3\frac{1}{2}\%$ according as the date of issue was prior to January 1, 1900, or subsequent to December 31, 1899.

The following is a summary of the results of the valuations made.

LIFE COMPANIES THAT HAVE RETIRED OR HAVE AMALGAMATED WITH OTHER COMPANIES.

The Royal Victoria Life Insurance Company of Canada has been absorbed by the Sun Life Insurance Company of Canada, and by a reinsurance agreement dated the 28th December, 1910, all the assets of the former were transferred to, and all its liabilities assumed by, the latter. Application for the approval of the agreement was made to the Treasury Board in pursuance of the provisions of section 52 of the Insurance Act, 1910, and such approval was granted by a minute of the Board dated the 23rd May, 1911.

The license of the Canadian Guardian Life Insurance Company, on expiry on March 31, 1911, was renewed for one month to April 30, 1911, and on May 1, 1911, it received a license under the provisions of section 41 of the Insurance Act, 1910, permitting it to transact business relating to its existing business but prohibiting any new business being transacted. The company's deposit which is considerably in excess of its liabilities to Canadian policy-holders is still in the hands of the Receiver General. An assignment of any equity in the deposit to the Farmers Bank of Canada, as security for a loan made by the bank to the company, has been filed with the department, such assignment being subject to the rights of the policy-holders of the company to the deposit. An assignment has also been made by the company to the same bank of all calls on the capital stock of the company as further security for the repayment of the said loan.

It will be seen from the foregoing statement that the total cost of liquidation was \$40,566.70 and that the total amount realized from the assets of the company, excluding premiums paid after liquidation, was \$321,533.75, the cost of liquidation being, therefore, approximately, $12\frac{1}{2}$ per cent of the assets. This rate of expense is, in the opinion of the undersigned, unnecessarily large and it is to be hoped that it may before long be possible to devise legal machinery less expensive than the present method of procedure and yet equally effective, for the liquidation of insolvent companies. There has lately come to the attention of the Department a case of the liquidation of a life insurance company under the new liquidation law of the State of New York, the results of which are most satisfactory from the standpoint of economy. By the said law the liquidation proceedings are carried on by the Insurance Department of the State. A summary of the proceedings in the case above referred to is given in a bulletin issued by the New York Insurance Department, as follows:—

STATE OF NEW YORK—INSURANCE DEPARTMENT.

ALBANY, N.Y., July 3, 1911.

It was announced at the State Insurance Department today that Superintendent Hotchkiss had filed with the Clerk of Onondaga County at Syracuse, the report on proceedings in liquidation of the Peoples Mutual Life Insurance Association and League from March 1, 1910 to May 1, 1911. This fraternal benefit society is the largest and most important of the insurance corporations yet taken over under the new liquidation law. Its administration is, therefore, a fair test of results under such law.

The report filed shows that of its assets upwards of \$2,200,000 have been turned into cash and distributed amongst nearly 37,000 certificate holders in a first dividend of 60 per cent at a total expense of \$17,834.88, or at the rate of less than one per cent of the assets so distributed. This expenditure has been largely in payment of clerks and for postage and printing. The only expenditure for legal fees consists in a disbursement of \$38 in connection with an action brought in the state of West Virginia. All other legal services have been performed by the special deputy superintendent in charge.

The report shows that there still remain on hand and undistributed ledger assets of upwards of \$1,000,000, consisting largely of corporate bonds, some of them, however, at present unsaleable save at a considerable loss. This is due to certain unfortunate investments made by the corporation prior to its failure. Preparation is, however, now being made for a further distribution of an aggregate sum of about \$850,000 in a second dividend of 25 per cent, which will begin about August 1st. It is expected that these two dividends, aggregating 85 per cent will be supplemented by a further dividend, bringing the total which will be paid to certificate holders in excess of 92 per cent. The final dividend will not, however, be paid for some time, this owing to pending reorganizations of certain corporations whose securities form part of the assets.

RULES AND REGULATIONS REGARDING THE ACCEPTANCE OF
SECURITIES OFFERED FOR DEPOSIT BY INSURANCE
COMPANIES, &c., &c.

The following extracts from Orders in Council, Minutes of the Treasury Board, &c. (all of which have been previously published) are here collected for convenience of reference:—

Particulars of Securities offered for Deposit.—All applications for the acceptance of bonds or debentures, whether as original deposits or in exchange for securities which the applicants desire to have released, must be accompanied by a statement giving full particulars of the securities offered for acceptance under the following headings, viz.:—

‘Date, date of maturity, place of payment of principal, rate of interest, how payable, *i.e.* yearly or half yearly, date and place of payment of interest, market value at time of application for acceptance, and, if not quoted in the market, the price at which purchased by the company and date of such purchase.

‘Also as regards municipalities whose bonds or debentures are offered:

‘The population, assessed value, rate of taxation, assets, total debenture indebtedness, and all other liabilities, income and expenditure for the last fiscal year, and any other details in the possession of the company which would be of assistance in determining the value of the securities offered for acceptance.

SESSIONAL PAPER No. 8

'The Board desire to be in possession of all possible information in relation to such securities in order that they may be in a position to give the matter proper consideration.' (T.B., Nov. 9, 1888.)

Railway Debentures.—'The Board are of opinion that they cannot accept as a deposit the bonds of any railway company, unless guaranteed directly or indirectly by the Canadian government, (T.B., Oct. 27, 1890,) *or by any province of Canada, by the United Kingdom or any British Colony; or by the government of any foreign country if the company depositing the same is incorporated in such foreign country.* (Insurance Act, 1910, sec. 15.)

Loan Companies' Bonds.—The Board had under consideration an memorandum from the Superintendent of Insurance with reference to the application of the Land Mortgage Companies' Association of the province of Ontario to have the debentures of loan companies accepted by the government as deposits on behalf of insurance companies in which he reports that the said association is composed of incorporated loan companies or societies authorized to lend money on real estate in the province of Ontario, and all such companies or societies are eligible for membership upon payment of certain fees; that the loan companies which compose the said association may be divided into the following classes:—

I. 'Companies incorporated under the provisions of the statutes of the province of Canada, 9 Victoria, chap. 90, consolidated in chapter 53 of the Consolidated Statutes of Upper Canada, included in chapter 169 of the Revised Statutes of Ontario (1887), and commonly known as the "Building Societies' Act."

II. 'Companies incorporated under the "Canada Joint Stock Companies' Act, 1877," now known as the "Companies' Act," being chapter 79 of the Revised Statutes of Canada (1906).

III. 'Companies incorporated under special Acts of the Legislature of the province of Canada or of the Parliament of the Dominion of Canada.'

IV. 'Companies incorporated under the "Ontario Joint Stock Companies' Letters Patent Act, 1874," being chapter 150 of the former and chapter 157 of the last Revised Statutes of Ontario.'

V. 'Companies incorporated under the English Companies' Act, and licensed to transact business in Canada under 37 Victoria, chapter 49, being chapter 125 of the Revised Statutes of Canada.'

The Board, after careful consideration of the report of the Superintendent of Insurance as to the class of securities upon which the above companies can invest their funds, and as to the borrowing powers of the said companies, direct that the debentures and debenture stock of such companies, belonging to the said association, as meet the requirements hereinafter set forth, may be accepted as deposits on behalf of the insurance companies, at such rate as the Treasury Board may see fit to place upon them, not, however, to exceed the value usually placed upon municipal securities, viz., 90 per cent of the par value thereof when the market value is at least equal to such par value, or 90 per cent of the market value when the market value is less than the par value.

(The rate of acceptance has since been changed to 95 per cent of the market value at the time of deposit, such accepted value in no case to exceed par. (See below T. B., June 14, 1900.)

The requirements above referred to are as follows:—

1. The company shall have kept strictly within the powers in relation to

1 GEORGE V., A. 1911

borrowing and investment conferred upon it by the Act under which it is incorporated.

2. It shall have a paid-up capital of at least \$500,000.

3. It shall have been in successful operation as a loan company for not less than ten years.

4. It shall have a reserve fund amounting to not less than 25 per cent of its paid-up capital.

5. Its stock shall have a market value of not less than par.

The Board also direct that every application on behalf of an insurance company for the acceptance of any such debentures or debenture stock as herein above provided shall form the subject of a special reference to the Treasury Board, and that the company shall supply, for the information of the Board, all necessary particulars, including a statement of the borrowing powers and powers of investment of the loan company whose securities are offered as a deposit, and a statement showing in detail the nature of the investments of such loan company, all properly verified. (T.B., October 16, 1896.)

No assurance of acceptance of bonds by the Treasury Board.—The Superintendent asks the decision of the Board upon the following questions, viz.:—

‘Will the Board inform a company desirous of purchasing certain bonds or securities whether they will be accepted or not as a deposit in the event of their being purchased?’

* * * * *

‘The Board, after deliberation, are of the opinion that they cannot give any assurance to any company that securities will or will not be accepted in the event of their being purchased.’ (T.B., April 1, 1889.)

Deposit Receipts.—‘The Board direct that deposit receipts be not accepted in any case as a deposit on behalf of any company.’ (T.B., January 25, 1888.)

Bank Stocks, &c.—‘Bank stock or shares in any private company will not be accepted.’ (O.C., January 17, 1876.)

Registered Bonds as Deposits.—‘When registered bonds are received as deposits they must be registered in the name of the Receiver General. Bonds registered in the name of a company accompanied by an assignment in favour of the Receiver General, will not be accepted. When registered bonds are intended to be used as a deposit, they should, before being forwarded to this Department, be registered thus—in the name of ‘the Receiver General of Canada in trust for (giving the name of the company) being part of the deposit made by the company with said Receiver General, in pursuance of the statutes of Canada in that behalf.’ (T.B., July 13, 1891.)

Foreign Municipal Securities.—‘The Board are of opinion that no municipal securities other than Canadian should be accepted for deposit under the Insurance Act.’ (T.B., January 30, 1894.)

Exchange of Securities deposited with the Receiver General.—The Board establishes the following rule, viz., that bonds or securities of any kind deposited with the Receiver General can be released and withdrawn only upon the deposit with the Receiver General of an adequate amount of other securities satisfactory to the Board. (T.B., October 28, 1899.)

SESSIONAL PAPER No. 8

Municipal and other Securities as Deposits.—The Board on the report of the Superintendent of Insurance, direct as follows:—

(1) That Canadian municipal securities, Montreal Harbour bonds, Canadian Pacific Land Grant bonds, United States state securities and loan companies' debentures (where such securities are in all respects acceptable to the Treasury Board) be hereafter accepted at 95 per cent of their market value at the time of deposit, such accepted value in no case however to exceed par.

(2) That all securities of the classes mentioned in the preceding clause (1), which have been heretofore deposited and are still in the hands of the Dominion government at Ottawa, or in the hands of the Bank of Montreal, London, England, on behalf of the government, be revalued upon the basis set out in said clause (1).

(3) That for the purpose of such revaluation the various insurance companies by which such securities have been deposited be required to furnish from time to time when called for by the Superintendent schedules thereof giving the full particulars of such securities, including their par and market values, such par and market values to be certified to by a competent valuator or appraiser. (T.B., June 14, 1900.)

Respecting quality of paper and type used in bonds to be hereafter deposited with the Receiver General.—The Board had under consideration reports from the Comptroller of Dominion Currency and the Superintendent of Insurance in reference to the quality of the paper upon which bonds for deposit with the Receiver General are engraved, lithographed or printed, and also in reference to the quality of type used for such purpose.

From the reports above referred to, it appears that there are now on deposit with the Receiver General in the custody of the Comptroller of Dominion Currency, bonds and debentures to the amount of more than \$38,000,000, which are held under and for the purposes of the Insurance Act; that of these securities about 65 per cent are municipal, the greater portion of which have half-yearly or yearly coupons attached; that in some cases the principal is payable in yearly or half-yearly instalments, such instalments being sometimes represented by coupons attached to the bond, and sometimes by separate bonds; that these bonds and debentures have, when deposited, periods to run varying from two or three years to fifty years, and all such must be handled at least once and generally twice each year, and that notwithstanding the greatest care, the removal from the box containing them, unfolding, cutting and refolding and replacing them must of necessity to a certain extent wear and injure them, and hence the necessity of having all bonds, when deposited, in such sound condition that they may be reasonably expected, notwithstanding the unavoidable wear and tear, to hold together until the date of maturity; that many of the debentures now held are on the commonest kind of paper; that the coupons attached, from constant handling, are frequently torn, and that many of those on the debentures recently taken have been in such bad condition that they had to be patched before they were put into the vault.

In view of the above representations, and on the recommendation of the Superintendent of Insurance, the Board direct that, of the securities hereafter offered for the above named purposes only such be accepted as are either engraved, lithographed or printed in clearly legible type on tough, durable paper: Provided, however, that for good and sufficient cause shown bonds not meeting the foregoing requirements may be temporarily accepted.

The Board further direct that a copy of this Minute be sent to every licensed insurance company, and also that the Minute be published by the Superintendent of Insurance in his annual report. (T.B., June 5, 1908.)

LEGAL DECISIONS.

LIFE INSURANCE.

- (a) *Conditions avoiding policy—Words “Serious disease or complaint.” R.S.C. c. 34, s. 71.*

A policy of life insurance was made subject to conditions “below and on page two hereof.”

Held, good within R.S.C. c. 34, s. 71, notwithstanding the words of the Act that no such conditions shall be good or valid unless “set out in full on the face or back of the policy.”

Also, that acute bronchitis, of such a character as to be mistaken and treated for chronic bronchitis, was a “serious complaint” within the condition of the policy, avoiding it if the insured, before its date, had been attended by a physician for “any serious disease or complaint.”

(March 28, 1910—Mr. Justice Townshend—*Leonard vs. The Metropolitan Life Insurance Co.*—44 Nova Scotia Reports, p. 420.)

-
- (b) *Presumption of Death of Insured—Evidence—Proofs of Death—Insufficiency—Return of Premiums Paid after Supposed Death—Voluntary Payments.*

In an action upon two policies of insurance on the life of S., the plaintiff, his wife or widow, alleged that he died before the action was commenced and within a year after the 20th December, 1897, when he was last heard from; and she also claimed a return of the premiums paid by her upon the policies since the 20th December, 1898. Under each policy the insurance money was payable “within ninety days after due notice and proof of the death” and by the Ontario Insurance Act, R.S.O. 1897 ch. 203, sec. 80, insurance moneys are payable in sixty days after “reasonably sufficient proof.” There was no direct evidence of the death, but the plaintiff rested upon the presumption arising from the fact that S. had not been heard of since the 20th December, 1897.

S. left his home in Toronto in November, 1897, and went to Chicago, with a view of seeking employment. During the six or seven weeks next after his departure he wrote three letters to his wife. In the last, dated the 20th December, 1897, written at Chicago, he stated that he was leaving there. Then all communications ceased, and since then nothing had been heard from or of him by the plaintiff or any of his family, who took no steps to trace him or ascertain whether he was living or not.

In December 1906, the plaintiff first made claim for the insurance money, and forwarded to the defendants proof of loss, which consisted of her own statutory declaration setting out the above facts, exhibiting copies of the three letters, and stating her belief that if he were living he would have continued to correspond with her. There was no proof of search or inquiry. The action was begun on the 23rd March, 1907. After the action had begun the defendants advertised and made inquiries for S., but without success:—

Held, upon the evidence given at the trial, and especially considering the efforts made by the defendants, that S. should be presumed to be dead before the 13th May, 1908; the probability of his sending intelligence of himself was not rebutted by anything in the evidence so as to prevent the presumption of his death arising.

But *held*, that the defendants had not received reasonably sufficient proof thereof before action, and upon that ground the action failed, and should be dismissed, but without prejudice to another action.

Held, as to the claim for return of the premiums, that no presumption arose as to that, and the plaintiff had not established that the death took place before the

SESSIONAL PAPER No. 8

date of payment of any of the premiums accruing before action; and they were not paid negligently or under mistake, but voluntarily, with full knowledge of the doubt as to their being payable at all. (May 30, 1910—Mr. Justice Magee—*Somerville v. Aetna Life Insurance Co. of Hartford*—21 Ontario Law Reports, p. 276.)

(c) *Assignment of Policy to a Stranger—Gift—Delivery—Intention—Evidence—Revocation—R.S.O. 1897, ch. 203, sec. 151—Construction of Assignment—Designation of Beneficiary.*

The plaintiff, in December 1896, signed a document (not under seal) by which he purported to assign to the defendant a certain twenty-year endowment policy of insurance on his life, effected in 1888, by which the insurance company promised, in consideration of an annual premium of \$256.50, to pay at the death of the plaintiff, or at the maturity of the policy in 1908, the sum of \$5,000. The assignment stated that "for one dollar" and "for other valuable considerations," the plaintiff assigned, transferred, and set over to the defendant (naming her and describing her as "fiancee") all his right, title, and interest in the policy (describing it), "and, for the consideration above expressed, I do also, for myself, my executors and administrators, guarantee the validity and sufficiency of the foregoing assignment to the above named assignee, her executors, administrators, and assigns, and their title to the said policy will forever warrant and defend." There was in fact no consideration for the assignment. The plaintiff did not, at the time he executed it, inform the defendant of it; but in February, 1897, he mentioned it in a letter to her; and in March he sent the assignment to the insurance company, and they registered it in their books, and notified the defendant of it. In April the plaintiff wrote to the defendant saying that he enclosed her the assignment, and telling her not to lose it, but he did not in fact enclose it, and she never had the policy or the assignment in her possession. The plaintiff paid the premiums and kept the policy on foot. In January, 1909, he executed a document purporting to revoke the assignment, and brought this action for a declaration that the assignment was duly revoked and that he was entitled to the insurance moneys, the policy having matured:—

Held, that, even if evidence of the plaintiff's intention was admissible (and, *semble* it was not), there was nothing in the evidence to warrant a finding that it was not the intention of the plaintiff to give the policy absolutely and irrevocably to the defendant, nor that it was his intention to make the policy payable to her at his death, should that occur before maturity of the policy, and subject to any change he might desire to make before death or maturity. When the assignment was transmitted to the insurance company and the defendant notified of the transfer of the policy to her, she was, to all intents and purposes, owner of the policy. Delivery was not necessary, but, if it were, there was a constructive delivery by the formal acts of registration with the insurance company and notice to the defendant.

Held, also, that the assignment did not operate merely as a designation of a beneficiary, under the Ontario Insurance Act, R.S.O. 1897, ch. 203, sec. 151, which the plaintiff would have a right to change, but was an absolute, irrevocable assignment outside of the statute.

Judgment of Britton, J., reversed.

(Aug. 2, 1910—Divisional Court—*Wilson v. Hicks*—21 Ontario Law Reports, p. 623.)

(d) *Security for advances—Words "as interests may appear"—Debt barred by statute.*

A policy of life insurance issued by the defendant company upon the life of

R. S. was made payable to B. "as his interest may appear." Subsequently the insured directed the company in writing to make the amount payable to plaintiff "as his interest may appear" explaining that B. was to have made him an advance of a sum of money but had been unable to do so and that this was his "reason for changing the beneficiary in the contract."

Held, allowing the appeal to this extent, that plaintiff's claim must be restricted to the amount of his advance made at the time, and that he could not recover or retain, by virtue of the words "as his interest may appear," a large sum claimed by him for services alleged to have been rendered to the deceased in his lifetime, and which had been barred by the statute of limitations.

(e) *Man'a'—Pouvoirs des mandataires—Gérant d'une compagnie d'assurance qui engage un surintendant medical—Commencement de preuve par écrit—Inscription du nom d'une personne suivi de l'attribution d'une fonction sur la porte d'un établissement.*

Jugé:—1°. Le gerant d'une compagnie d'assurance sur la vie dont le siège est a l'étranger, nommé pour ouvrir une succursale dans cette province, agit dans les limites de son mandat et oblige la compagnie, en engageant un surintendant ou arbitre médical (a medical referee).

2°. L'inscription ou l'affiche du nom d'un médecin, avec le titre "medical referee", sur la porte du bureau d'une compagnie d'assurance sur la vie, est un commencement de preuve par écrit qui permet de prouver par témoins, l'engagement et ses conditions.

(Dec. 7 1910—Mr. Justice Bruneau—*Guerin vs. The State Life Insurance Co.*—39 Quebec Supreme Court Reports, p. 185.)

(f) *Will—Construction—Life Insurance in Favour of Wife—Bequest of Insurance Moneys in trust for Wife during Life—Remainder to Persons not Preferred Beneficiaries—Ineffective Disposition—Insurance Act, secs. 159, 160—Other Benefits given by Will—Election—General Rule—Exception.*

The testator had insured his life for the benefit of his wife, and the policy was in force at his death. By his will he purported to give the insurance moneys, sufficiently describing the policy to identify it with that in favour of his wife, to his executors to be held in trust by them for the maintenance of his wife as long as she should live; he also gave other property upon the same trust; and directed that, after her death, the residue of his estate should be divided among certain named persons, none of whom came within the preferred class of the Insurance Act, R. S. O. 1897, ch. 203, sec. 159 (2):—

Held, that the testator could not make any such disposition of the insurance moneys as he had attempted to do by his will—the trust declared by sec. 159 (1) of the statute not being displaced by an effective declaration under sec. 160; and the wife was, at his death, entitled to receive the insurance moneys.

It was contended that the will raised an election, and that the wife must either allow the insurance moneys to be disposed of as the will directed or lose all benefit under the will:—

Held, that the case fell within the "notable exception" referred to by James V. C., in *Wollaston v. King* (1869), L. R. 8 Eq. 165; the testator, having the power

SESSIONAL PAPER No. 8

to appoint to any within the class of preferred beneficiaries, first gave the insurance moneys in trust for the wife as long as she lived; and then over; that he could not do; and the wife was entitled to the insurance moneys, as well as to the other benefits under the will.

Semble, that the case would have been different had the insurance moneys been disposed of away from the wife.

Griffith v. Howes (1903), 5 O.L.R. 439, and In re Anderson's Estate (1906), 16 Man. L.R. 177, remarked upon and distinguished.

(Dec. 7, 1910—Mr. Justice Riddell—Re Edwards—22 Ontario Law Reporter, p. 367.)

(g) *Benefit Association—Life insurance—By-laws and regulations—Transfers between lodges—Member in good standing—Regularity of affiliation—Payment of dues and assessments—Evidence—Presumption—Waiver.*

Where the constitution of a benefit association provides that members shall not be transferred from one lodge to another unless all dues and assessments have been paid, up to and including those for the month in which the application for affiliation is made, the fact that, upon such an application a member was transferred from one lodge to another involves the presumption as against the association that the transfer was regularly made when the member was in good standing and in accordance with the regulations.

(Dec. 23, 1910—The Grand Lodge of the Ancient Order of United Workmen vs. Elizabeth A. Turner—44 Supreme Court Reports, p. 145.)

(h) *Note for Life Insurance Premium.*

Action on a promissory note given for the first year's premium on a life insurance policy. One of the provisions of the note was that if it was not paid when due the policy would lapse but that the maker of the note would not be thereby relieved from the payment of the full amount thereof. The note was not paid at maturity. The Company sued thereon and the maker pleaded that in consequence of the lapsing of the policy he was not liable for the whole amount but only for the *proportion of premium earned*, for which he confessed judgment.

Held, that as the policy was delivered to the maker of the note and the risk thereunder had attached, and as in life insurance when the risk commences the premium is earned, the company was entitled to collect the full amount of the note.

LEGISLATION.

1.—DOMINION LEGISLATION.

The undermentioned Acts were passed by the Parliament of Canada at the Session 1910-11, 1 Geo. V.

(1) An Act to incorporate the Empire Life Insurance Company, assented to April 4, 1911.

As its name indicates this company is authorized to carry on the business of life insurance. Its authorized capital is \$1,000,000, with power to increase the

same to \$2,000,000. The amount to be subscribed before the election of directors is \$200,000. The head office is to be at the city of Toronto.

(2) An Act to incorporate the Capital Life Insurance Company, assented to April 4, 1911.

This Act confers the usual powers of a life insurance company. The authorized capital is \$1,000,000. The amount to be subscribed before the election of directors is \$250,000. Business is not to be commenced until \$350,000 of the capital stock have been subscribed and \$70,000 paid thereon. The head office is to be at the city of Ottawa.

(3) An Act to incorporate the Alberta Saskatchewan Life Insurance Company, assented to April 4, 1911.

As in the case of the two preceding Acts this Act grants to the company the usual powers of a life insurance company. The authorized capital is two million dollars, which may be increased by the company to three million dollars.

Business is not to be commenced until \$250,000 of the capital stock have been subscribed and \$62,500 paid thereon. The head office is to be at the city of Edmonton, in the province of Alberta.

(4) An Act respecting *La Sauvegarde* Life Insurance Company, assented to May 19, 1911.

This company was incorporated by chapter 95 of the Quebec statutes of 1903 with power to carry on the business of life insurance.

This Act constitutes said company as constituted under its said Act of incorporation a body corporate and politic within the legislative authority of the Parliament of Canada under the above name. The capital stock may be increased to two million dollars. The head office is at the city of Montreal.

2.—QUEBEC LEGISLATION.

The following Act was passed by the Legislature of the province of Quebec in the session of 1911, assented to on the 24th March, 1911.

An Act to amend the Act to incorporate "*Les prevoyants du Canada*,"—(Chapter 98).

This company was incorporated by chapter 121 of the Quebec statutes of 1909, its object being to provide for the granting of pensions to such of its members as have contributed for 20 years to the pension fund created by said Act, but subject to the conditions therein set forth. The amending Act provides for the filling of vacancies in the board of directors; defines the persons to whom the contributions paid by a member who has died but who has not completed 20 years of membership are to be paid; increases the investment powers of the company and provides for filling vacancies which may occur in the supervisory board.

3.—MANITOBA LEGISLATION.

The undermentioned Acts were passed by the Legislature of the province of Manitoba in the session of 1911.

(1) An Act to incorporate the Western Empire Life Assurance Company assented to March 10, 1911).

This Act confers the power to carry on the usual business of a life insurance

SESSIONAL PAPER No. 8

company. The authorized capital is \$500,000, of which amount \$200,000 must be subscribed and at least \$25,000 paid thereon before the commencement of business. The head office is to be at the city of Winnipeg. The Act expires in five years from the date it was assented to unless the company shall have commenced business thereunder within such five years.

(2) An Act to amend "An Act to incorporate the Canada Provident Life Assurance Company," assented to March 24, 1911.

This company was incorporated by chapter 66 of the Manitoba statutes of the year 1900, which Act was amended by chapter 87 of the statutes of 1910, and its name changed to "The Canada Provident Assurance and Investment Company."

For the amendments made by the Act now under consideration reference is directed to the original Act as printed in the statutes of Manitoba for 1911.

(3) An Act to Amend an Act to incorporate "The Western Life Insurance Company of Canada" assented to March 24, 1911.

This company was incorporated by chapter 116 of the Manitoba statutes of 1910. The amending Act strikes out the words "of Canada" in the name, eliminates the provision limiting the amount which may be invested in securities of the United Kingdom and the United States and repeals the provisions which authorized the establishing of branches, sub-boards or agencies outside the province.

(4) An Act to Amend "An Act to incorporate The Prudential Life Assurance Company," assented to March 24, 1911.

This company was incorporated by chapter 67 of the statutes of 1902, which Act was amended by chapter 109 of the statutes of 1910. Said Act of incorporation was further amended by the Act of 1911 by providing that the shareholders and policy-holders may employ any officer for a fixed term not exceeding two years, and by adding thereto two new sections (23 and 24) dealing with the transfer of shares of an intestate or shares held in trust.

PROMOTION OF NEW COMPANIES.

An important change in the law regarding the promotion and organization of insurance companies is contained in section 184 of the Insurance Act, 1910, which is as follows:—

"The entire cost of procuring the incorporation and subscriptions for stock shall be charged directly to the account of the shareholders and the amount thereof fixed by percentage on the capital stock or fixed in bulk and shown on the face of the form of the stock subscription contract, and shall not form a charge upon or be paid out of the paid-up capital nor from the insurance funds, nor be in any way chargeable directly or indirectly against the policy-holders."

The effect of this section is to render it necessary to sell the stock at a premium sufficient at least to cover the commission on the sale thereof and the cost of procuring the incorporation so that the Company can commence business without an impairment of capital. The total premium moreover ought not to be expended in procuring subscription but a portion kept in reserve for purposes of organization.

In the past it has been too frequently the custom of promoters to attempt to

1 GEORGE V., A. 1911

make a harvest for themselves or their friends from the extravagant commissions allowed to those who procure the subscriptions. The undersigned ventures to submit that the habit of peddling out shares in small lots at what under such conditions can scarcely be otherwise than extravagant commissions, is not in the interest of either shareholders or policy-holders of the Company.

The steady increase from year to year in the bulk of the full report issue from the Department, owing to the increase in the number of licenses issued, the number of classes of business transacted by the companies and the greater volume of the statements contained therein, it has been deemed expedient to issue the report for the business of 1910 in two volumes, one of which (Volume I.) deals with all classes of insurance (other than life insurance) transacted by the various companies; and the other (Volume II.) with the business transacted by life insurance companies. It is believed that this division will render the report more generally useful and it is hoped that an earlier issue, of at least one volume, will be secured thereby.

I have the honour to be, sir,
Your obedient servant,

W. FITZGERALD,
Superintendent of Insurance.

This contract expires on August, 31, 1915. The Home Life have also a contract with Mr. J. K. NORWICH UNION LIFE—Continued.
GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1910.

NEW BUSINESS.

Ordinary Life Business.—The proposals received during the year numbered 11,566, for £6,684,183, of which 1,073 for £1,098,398 were declined or not completed, while 10,493 policies were issued, insuring £5,585,785 and carrying new premiums for £225,491. Both in the number and amount of new policies, the figures were once more in excess of those of any previous year. It will be remembered that the new business for 1909, was the largest transacted in any one year by the Society—the amount for 1910 represents a further advance of £506,801. The net new business retained by the Society at its own risk was £4,847,776.

Leasehold and Capital Redemption Insurances.—In addition to the above, the Society received the sum of £13,436 18s. 2d. as Premiums for Leasehold and Capital Redemption Insurances completed during the year.

INCOME AND FUNDS.

The Income for the year was £1,793,380 10s. 11d., and the Outgoings (including a provision for every outstanding claim) £1,018,500 2s. 6d. The difference, £774,880 8s. 5d., constitutes the increase in the funds which at the close of the year amounted to £9,853,949 15s. 10d. The interest, dividends, etc., received during the year amounted to £379,941 18s. 4d., which shows a net return on the mean funds, including all unproductive assets, of £4 1s. 11d. per cent after deduction of income tax. The amount of the Scottish Imperial Fund at the close of the year was £690,188 19s. 5d., making a total for the two funds of £10,544,138 15s. 3d.

MORTALITY EXPERIENCE.

During the year 813 policies for £422,488 3s. 3d. (including bonuses) became claims by death, and 268 for £66,926 8s. 3d. by survivorship. Owing to a change in the form of account, the figures reported this year include claims intimated in 1909 but not actually paid until 1910, as well as £54,361 representing claims intimated in 1910 but not paid until after the close of the year. The claims dealt with in 1910 were accordingly £368,127 an amount which has been shewn by the usual mortality investigation to be £162,583 less than the sum expected.

GENERAL BUSINESS STATEMENT FOR THE YEAR ENDING DECEMBER 31, 1910.

LIFE DEPARTMENT.

During the year, 1,881 Life Policies were issued, assuring £1,814,074, with new premiums of £76,083. Reassurances were effected with other companies for £462,706 at premiums of £19,213. The net new assurances were thus £1,351,368, and the net new premium income £56,870, including £6,117 of single premiums.

One hundred and thirty-one immediate annuities were granted for £7,655 per annum, the consideration money received being £81,552. Seven deferred and reversionary annuities for £548 per annum at premiums of £471 were also granted.

Claims for the aggregate sum of £601,072 arose by the death of 592 persons assured under 759 policies, and a further sum of £100,918 was paid in respect of endowment assurances matured. The amount paid in claims was within the expectation. Thirty-seven annuitants, in receipt of £2,839 per annum, died during the year.

The income of this department for the year was £1,162,665 and the outgoings were £1,029,058. The Life assurance funds were thus increased by £133,607, and at the close of the year stood at £10,039,764. The rate of interest calculated upon the average funds of the year was £3 19s. 2d. per cent after deduction of income tax.

For the first time, the accounts of the Life department give separate particulars as to business within the United Kingdom and business out of the United Kingdom, in accordance with the requirements of the Act.

PROFIT AND LOSS ACCOUNT.

The operations of the year resulted in an amount standing to the credit of profit and loss, including £222,101 transferred from the Fire account and £70,903 interest not carried to other accounts, of £407,045. From this sum the Directors have set aside £125,000 as an addition to the Fire general reserve, increasing that reserve to £925,000. This leaves an available balance in profit and loss of £282,045, and the shareholders' profits from the Life department for the past five years, amounting to £52,000, as before mentioned, will be duly credited to profit and loss in the current year.

The Directors now recommend payment of a total dividend for the year 1910 of 35s. per share (equal to 35 per cent on the paid-up capital), subject to income tax. After deduction of 2s. for income tax and 12s., the net interim dividend paid on the 1st November last, there remains to be paid a net balance of 21s. per share upon the 76,396 shares forming the capital of the Company, which will absorb £80,216. For the past four years the dividend has been at the rate of 30s. per share free of tax.

* In the special infantile plan the amount assured as given in the statement above represents the exact amount for which the company is liable at present, whereas under the order plan, life endowment, &c., the assurance does not come into full force until the age of 13 years, in the case of policies issued before March 1, 1898, and 10 years in the case of those issued since. If death occurs previous to that age the company agrees to return the premiums that have been paid and compound interest thereon at 7 per cent per annum.

SESSIONAL PAPER No. 8

and hereto duly authorized, (hereinafter called the Sun Company): of the one part and The Royal Victoria Life Insurance Company of Canada, a body politic and corporate, having its head office and principal place of business in the said City of Montreal, and herein acting and represented by the Honourable Robert Mackay, a Senator, the Vice President, and David Burke, the General Manager of the said Company, authorized hereto by the By-laws of the said Company, and by said Honourable Robert Mackay, and A. Haig Sims, merchant, and Charles F. Smith, manufacturer, three of the Directors of said Company, and constituting the Special Committee for the purposes of the present Agreement; all of the said City of Montreal, (hereinafter called the Royal-Victoria Company); of the other part.

Which said parties declared:—

That the Sun Company has agreed to reinsure the policies of life assurance and the assurance and annuity contracts of the Royal-Victoria Company and to take over all the assets and liabilities of the said Company and the Royal Victoria Company has agreed to assign, transfer and make over all its property and assets generally to the Sun Company, upon the terms and conditions herein set forth.

Wherefore the said parties hereto do hereby covenant and agree that the total outstanding policies of life assurance and assurance and annuity contracts of the Royal Victoria Company are hereby reassured by the Sun Company on the following terms and conditions which it is hereby agreed by both parties hereto shall be construed as setting forth all the terms and conditions agreed upon by them in regard to this transaction.

(1) Every policy and life assurance or annuity contract issued by the Royal Victoria Company and now in force is included in this reinsurance, and in consideration of the transfer of the property and assets of the Royal Victoria Company to the Sun Company as hereinafter stipulated, the Sun Company hereby becomes liable for all claims to policy-holders by death or otherwise under the aforesaid policies and contracts.

(2) The Sun Company further assumes and shall pay to the discharge of the Royal Victoria Company all liabilities now existing or which may be created pending the approval of this Agreement by the Treasury Board, and all the contractual obligations of the Royal Victoria Company shall be duly fulfilled to the discharge of the Royal Victoria Company by the Sun Company, which shall be alone liable therefor.

(3) The entire property and assets of the Royal Victoria Company are hereby assigned, transferred and made over to the Sun Company as its absolute property by the Royal Victoria Company with the exception of the uncalled capital stock of the Royal Victoria Company which is not transferred to the Sun Company and the Sun Company expressly guarantees and warrants the holders of said stock against any further call thereon or liability connected therewith unless the same be hereafter made or created by the directors of the Royal Victoria Company without the consent of the Sun Company.

(4) The Sun Company shall pay all of the expenses of the actuarial examination, the publication of notices, and the serving of notices and documents upon the shareholders and policy-holders in accordance with "The Insurance Act 1910", as well as all legal and notarial expenses incidental to the present transfer and reinsurance.

(5) The Royal Victoria Company further assigns and transfers to the Sun Company all premiums due on said policies and life assurance and annuity contracts which shall belong to the Sun Company and also any premiums which hereafter may be collected by the Royal Victoria Company or any of its agents or employees.

1 GEORGE V., A. 1911

(6) The Sun Company shall pay to the shareholders of the Royal Victoria Company a liquidation dividend amounting to twenty per cent of the sum actually paid up in cash by each shareholder on the capital stock standing in his name and which payment shall be made by the Sun Company upon the approval of this agreement by the Treasury Board, which approval shall be applied for without delay, and each shareholder, on receiving his liquidation dividend shall execute a full and valid discharge to the Royal Victoria Company of all his claims against it, present or future, by reason of his being a shareholder.

(7) The Sun Company shall allot profits to the participating policies of the Royal Victoria Company included in this reinsurance agreement under the following conditions:

(a) No profits shall be considered to have been earned or to have accrued prior to the completion of this reinsurance.

(b) Until the first day of January one thousand nine hundred and sixteen (1916) a separate account shall be kept of the participating policies of the Royal Victoria Company, and the profits accruing to such policies, during the period ending on the said date shall depend upon the profits, earned by such participating policies, as a class. The assets transferred by the Royal Victoria Company to the Sun Company as above, deducting therefrom the liquidation dividend above mentioned, and all other payments or expenses of every description as made, connected with the reinsurance hereby affected, shall be divided between the participating and non-participating classes of such policies in proportion to the reserves thereon, in an equitable manner. The further charge to the account of said participating policy-holders, for the expense of collecting the premiums thereon, and for all other purposes in connection therewith during said term ending the first of January nineteen hundred and sixteen, shall not exceed ten per cent of the premiums paid on such policies during the said term.

(c) After the said first of January nineteen hundred and sixteen, the said participating policies shall be treated as regards the profits accruing thereafter, on the same basis as corresponding policies of the Sun Company paying the same rates of premium.

(8) The Sun Company shall mail to the holder of each policy of the Royal Victoria Company hereby reassured a certificate to attach to such policy setting forth the assumption by the Sun Company of the liability under such policy on the terms above mentioned.

(9) The Royal Victoria Company and its officers shall hereafter be subject to the direction of the Sun Company and shall incur no obligations without the approval of the Sun Company, and the Sun Company shall forthwith assume the control and direction of the business and the the conduct of the correspondence with the assured and others which may be necessary and so far as possible will relieve the Royal Victoria Company of all further responsibility and trouble connected with the same; the intention being that the Sun Company shall hereafter correspond and deal with the holders of policies hereby reassured, or hereafter issued pending the sanction and approval of the Treasury Board to this agreement, in the same manner as if the said policies had been issued by the Sun Company, subject however to the terms and conditions of the said policies; and the Royal Victoria Company hereby specially grants the Sun Company all the authority which it may require in the premises, hereby appointing the Sun Company its irrevocable attorney with authority to use the name of the Royal Victoria Company whenever necessary, but subject to the obligation of indemnifying the Royal Victoria Company against all costs in connection with such use, and to exercise every right and power in connection with the said policies which the Royal Victoria Company possesses, and could exercise; the Royal Victoria Company hereby ratifying and confirming all that the Sun Company may do by virtue of this agreement and hereby dispossessing itself in favour of the Sun Company of all rights and powers

SESSIONAL PAPER No. 8

It may have to regulate or in any way deal with the said policies hereby reassured hereafter, hereby agreeing not to interfere in any way with the Sun Company in connection with the management of the said business. The Sun Company shall also alone be responsible for the expenses of the said business while exercising the rights granted by this clause.

(10) The Royal Victoria Company shall give the Sun Company all the information and assistance which it may require in order to preserve the thread of the business and carry it on intelligently. For this purpose the applications, policy copies, agents' contracts, and all other documents and records in any way referring to the policies or business of the Royal Victoria Company shall be handed over to the Sun Company and shall thereafter be the property of the latter.

ACTUARY'S REPORT.

25th January, 1911.

T. B. Macaulay, Esq.,
Managing Director,
Sun Life Assurance Company of Canada,
Montreal.

Dear Sir,

I beg to submit the following report of my examination of the Royal Victoria Life Insurance Company of Canada, as at 30th September, 1910, the essential features of which I have already discussed with you verbally.

The accompanying statement of assets and liabilities shows the financial condition of the company at 30th September, 1910, and is verified by the auditors' and other certificates.

Assets.—All the various invested assets of the company have been carefully examined and have been found to be thoroughly satisfactory. From the standpoint of security these investments can be safely regarded as first-class in every respect. The rate of interest yielded by the bonds and stock is, however, low, and consequently the market values as at 30th September, 1910, have been found to be less than the ledger values by the sum of \$11,800.87.

The mortgages, policy loans and other securities have been carefully examined and are regarded as entirely satisfactory.

The agents' balances have been thoroughly investigated, and the sum of \$6,097.43 has been written off as consisting of bad or doubtful items, thus reducing the sum included in the assets under this heading to \$2,000.

Equipment and office furniture has also been written down to the sum of \$2,000, which is considered to be a reasonable valuation.

From the gross outstanding and deferred premiums a deduction of 20% has been made to cover the loading.

The total assets have thus been found to be \$683,430.64.

Liabilities.—The policy and annuity contracts have been valued according to the Institute of Actuaries Hm Table, with $4\frac{1}{2}\%$ interest for all policies issued

1 GEORGE V., A. 1911

before the 1st January, 1900, and $3\frac{1}{2}\%$ for all policies issued since that date, this being the Dominion Government Standard on the 31st December, 1909. The net reserves on this basis were found to be \$714,870.14.

Outstanding claims amounted to \$4,555. Other amounts, aggregating \$3,226.37, have been included in the liabilities to cover medical examiners' fees and taxes, due or accrued, auditors' fees and sundry accounts, thus bringing the total liabilities up to \$722,651.51.

The valuation consequently shows that the liabilities on the above basis exceed the assets by \$39,220.87.

It must be borne in mind however, that the Dominion Insurance Act requires that business issued prior to 1st January, 1900, shall hereafter be valued on the basis of 4% interest, and after the 1st January, 1915, on the $3\frac{1}{2}\%$ basis. If the valuation were made on the basis of 4% for such policies, the liabilities would be increased by \$11,329.21, thus increasing the deficiency to \$50,550.08, and if the $3\frac{1}{2}\%$ basis were used the deficiency would be further increased to, approximately, \$63,000. It may be here mentioned that the present condition of the Royal Victoria Company has been caused by (1) the somewhat heavy fixed expenses in proportion to the volume of business transacted; (2) the mortality having been heavier than would be ordinarily expected in the case of a young company; and (3) the fact that the bonds and stock consist largely of low interest-bearing securities.

It is proposed to pay the shareholders of the Royal Victoria Company a liquidation dividend of 20% of the paid up capital, amounting to \$40,000, and furthermore the expenses and all other payments to be made on account of the reinsurance will probably amount to about \$15,000, but in any event will not exceed \$20,000. The deficiency as shown in the financial statement must, therefore, be increased by about \$55,000 or \$60,000, to show the position of affairs after the transfer of the business has been completed.

In forming an estimate of the period required to make good the deficiency, the following are the principal factors to be taken into consideration:

(1) *Expenses*.—A large saving in expenses will undoubtedly be effected by the transfer, for the business of the Royal Victoria Company can be handled by the Sun Company at a total expense which can fairly be taken at not exceeding 10% of the premium income. An annual profit of at least 10% of the premiums will therefore be derived from loadings.

(2) *Interest*.—As the bonds and stocks of the Royal Victoria Company yield at the present time rather low rates of interest, these securities can be disposed of and the proceeds reinvested in securities yielding at least as high rates of interest as the average rate realized by the Sun Company on its invested assets. An annual profit in excess of the valuation rate of interest, of about two per cent per annum on the invested funds, can therefore be assumed.

(3) *Mortality*.—From an examination of the death claims in recent years, it appears that the mortality experience of the Royal Victoria Company has been practically the full tabular rate according to the Hm table. While I think we can safely count on the future experience falling within the expected claims, I nevertheless do not consider that it would be wise to assume any substantial profit from mortality.

(4) *Surrender Values and Lapses*.—There will be the usual profit from lapsed and surrendered policies.

Taking all these factors into consideration, I estimate that the total initial deficiency, on the basis of a full $3\frac{1}{2}\%$ interest valuation, will in all probability be made good in about four years from the 1st January, 1911, or in five years at the outside.

The provisions of the reinsurance agreement should be such as will deal fairly with the policy-holders of both the Royal Victoria Company and the Sun

SESSIONAL PAPER No. 8

Company. The aim should therefore be to take over the business on such terms as will not interfere in any way with the profits to policy-holders of the Sun Life Company, and at the same time will insure to the holders of participating policies in the Royal Victoria Company as large profits as should reasonably be paid to them.

It is quite apparent that no profits should be considered as having been earned or as having accrued to policy-holders of the Royal Victoria Company prior to the completion of the reinsurance agreement.

As regards the payment of profits after the transfer of the business, I would recommend that a separate account be kept of the participating policies of the Royal Victoria Company, for a period of five years ending on the 1st day of January, 1916, and that the profits accruing to such policies during that period depend upon the profits earned by such participating policies as a class; that the assets transferred by the Royal Victoria Company to the Sun Company, after deducting the liquidation dividend, and all other payments and expenses of every description connected with the reinsurance be divided between the participating and non-participating classes of such policies, in proportion to the reserves thereon, in an equitable manner; that during the said term ending the first day of January, 1916, the account of the said participating policy-holders be charged with an amount not exceeding 10% of the premiums paid on such policies during the said term, for the expense of collecting the premiums, and for all other purposes; that after the 1st January, 1916, the said participating policies be treated, as regards profits accruing thereafter, on the same basis as corresponding policies of the Sun Company paying the same rates of premium.

I believe such an arrangement to be equitable as between the policy-holders of the Royal Victoria Company and those of the Sun Company.

The whole respectfully submitted.

(Sgd.) ARTHUR B. WOOD,

Actuary,

Sun Life Assurance Company of Canada

INDEPENDENT ACTUARY'S REPORT

I beg to report that I have examined the Reinsurance Agreement entered into between the Sun Life Assurance Company of Canada and the Royal Victoria Life Insurance Company, and also the statement of assets and liabilities of the latter company as at September 30, 1910. Assuming that this statement represents the true financial condition of the Royal Victoria Life Insurance Company on September 30, 1910 (I have verified the reserve liability), the liabilities exceed the assets by \$39,220.87. The extra liability to bring the reserves up to the new Government standard is about \$11,000, thus representing a total deficiency of about \$50,000. As the Sun Life has expended, or will expend, about \$65,000 as a liquidation dividend to the shareholders of the Royal Victoria and for additional expenses in connection with the transfer, it will require a sum approximating \$105,000 to make good the deficiency caused by taking over the policy obligations assets and liabilities of the Royal Victoria Life Insurance Company.

It is proposed to divide the assets transferred by the Royal Victoria, after deducting the liquidation dividend and expenses, between the participating and non-participating business of the Royal Victoria in a manner proportionate to the reserve on each class of business, and to keep a separate and distinct account

1 GEORGE V., A. 1911

of the participating policies of the Royal Victoria for a period of five years from the first of January, 1911, and to also charge such policies with ten per cent (10%) of the premiums collected for expenses in looking after the business. The profits accruing to the participating policies of the Royal Victoria during the said period of five years shall depend upon the profits earned by such participating policies as a class. After the expiration of such period of five years the participating policy-holders of the Royal Victoria Company are to share in the profits of the company in like manner as other participating policy-holders of the Sun Life Assurance Company of Canada.

I consider this arrangement equitable alike to the participating policy-holders of the Royal Victoria Life Insurance Company and the Sun Life Assurance Company of Canada.

Dated, at Montreal, P.Q., this 27th day of January, 1911.

EXTRACT from the minutes of a meeting of the Honourable the Treasury Board,
held at Ottawa, on the twenty-third day of May, 1911.

INSURANCE—

The Board had under consideration a report from the Superintendent of Insurance, submitting the joint petition of the Sun Life Assurance Company of Canada and the Royal Victoria Life Insurance Company of Canada applying to the Board to sanction and confirm the agreement entered into with each other, whereby the former Company agreed to purchase and take over the business and property of the latter and reinsure the policies thereof.

It appearing from the report and recommendation of the said Superintendent that the documents submitted in connection with such agreement and petition are all in order, and that the requirements of the Insurance Act of 1910 have been fully complied with, and that the agreement between the two companies is an equitable one, the Board hereby sanction and confirm the said agreement.
